Binoculars - these are a must on the tundra. For optimal viewing, we suggest those with specs between 10x42 and 8x42. You may even try 8x35, but only if they contain high quality glass. Practice using your binoculars before your adventure to make sure they are not too powerful or you do not have trouble holding them steady. Boots will be supplied for use on the trip when you arrive into Winnipeg on Day 1. Sizes will be taken in advance once you have booked onto the tour.

Luggage: On Tour

The weight limit for checked-in baggage on our charter flight between Churchill and Winnipeg is 50 lbs. per person.

As luggage space on our transfer vehicles is limited, we ask that you limit your luggage to ONE piece of checked baggage per person.

We suggest one water-resistant or waterproof bag and one carry-on or daypack per person. We highly recommend packing light - take only the essentials you will need during your adventure.
