Gorilla and Chimp Safari

Join us for a chance to see the incredible primates and wildlife of the Ugandan rainforest. We spend two days in Kibale Forest, the best place in Africa to spot chimpanzees. From our comfortable eco-lodge we explore the forest with a population of over 1000 chimps and 13 varieties of other primates including Red-Tailed monkey, Colobus monkey and many others. We take a day walk in the majestic Rwenzori Mountains also known as 'Mountains of the Moon' and visit local villages around the area. We join a cruise in the Kazinga channel, a real highlight and a chance to observe hippo, crocodile, buffalo and herds of elephants at close range before taking game drives in Queen Elizabeth National Park where we hope to spot the famous tree climbing lions. We then travel deep into the rainforest near Bwindi, where we experience the ultimate wildlife encounter: we get up close and personal with the endangered mountain gorilla in its natural habitat. We also take a swim or a canoe ride in Lake Bunyonyi, surrounded by verdant rolling hills and a walking safari in Lake Mburo.

Expect to walk a long distance in steep and muddy conditions, sometimes with rain overhead, before you encounter any gorillas. But it will definitely be worthwhile as you observe them closely while they eat, play and rest, a unique and unforgettable experience! Unfortunately, Mountain gorillas (as opposed to Lowland gorillas) are one of the world's most endangered species so the entrance and gorilla tracking fees revenue generated from tourism in protected parks such as Bwindi, offer them their only chance of survival. Distinct from their cousins who live in the open spaces and lowland forests of West Africa, Mountain gorillas are found at an altitude of between 1520m and 3650m. Gentle giants and vegetarians, they are normally peaceful unless provoked. Our groups have been rewarded with the thrill of very close encounters.

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 9 Drive to Lake Bunyonyi through coffee plantations and rolling hills

Preparing for your Trip

Climate

Uganda

Although conditions are tropical, hot and humid in the centre and west, the rest of Uganda has a pleasant and comfortable climate. The dry season is generally from December to early March and June to the end of August/early September. Temperature can vary from around 28°C during the day to 12°C in the evening. High mountain areas become much cooler at night. Most of Uganda experiences a double rainy season. Rainfall is moderate, only exceeding 1250mm a year in the higher areas. But it may rain at any time of the year, particularly in equatorial rainforest such as Bwindi. Lake Victoria influences the local weather patterns considerably and ensures the surrounding region is wetter than elsewhere. Additional information and climate charts can be accessed at <http://www.explore.co.uk/> weather. Seasonal weather patterns can be unpredictable. Up-to-date information on the weather worldwide can be found by following the BBC weather link on this page.

Clothing

Temperatures are warm and humidity is high all year round. But as much of our route in Uganda is driving across high country or at a reasonable altitude, warm clothing is needed particularly at night and in the early morning. Do not bring green fatigues or camouflage jackets/trousers that might be considered of military origin. Lightweight, hard wearing gloves are useful for protecting hands during the gorilla and chimp search. Long sleeved shirts and long trousers are recommended for protecting arms and legs.

Equipment

Take a torch (ideally a head torch), insect repellent and a personal water bottle. Binoculars will be useful for game viewing as is a camera with telephoto lens for close-up wildlife shots. Accommodation has mosquito screening where necessary so nets are not required. Walking poles are strongly recommended. A hat and long socks so you can tuck your trousers in for the gorilla trek are also recommended.

Footwear

Sturdy walking boots for the tracking and sandals or trainers/light shoes for travelling.

Luggage: On Tour

One main piece of baggage (a soft bag or holdall for ease of loading onto vehicles) plus a daypack.

Luggage allowance on trip: 15Kg
