Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Join tour in Salvador

We join our tour today in Salvador, the capital of the state of Bahia and one of Brazil's most historic cities. Its roots stem back to 1501 when the navigator Amerigo Vespucci first sailed into its bay. Initially considered to be the nation's capital due to the natural protection of the cliffs rearing from the sea, its bay was one of the finest anchorages on the eastern shores of the New World. Once an opulent city from trade and later from the discovery of diamonds inland, this period of prosperity has left a legacy of colonial architecture, largely centred in the Upper City atop the cliffs - now designated a historic monument by UNESCO.

DAY 2 Guided tour of the city; free afternoon

This morning we have a guided orientation tour of the city. The Pelourinho area is considered to be the most important collection of 17th-18th century architecture in the whole of the Americas. The area is a jumble of centuries old churches, narrow cobbled streets and spacious plazas bordered by once elegant but now gently decaying mansions. The natural setting is magnificent overlooking the Todos os Santos Bay. What immediately strikes the traveller is that despite its Portuguese architecture, the spirit, cuisine, culture and people are predominantly African. The area's riches were originally based on sugar cane and tobacco, with the majority of the workforce coming from the west coast of Africa - for over 300 years Salvador was the centre of a thriving slave trade. The modern day population is mostly of African descent - this can be heard in the rhythms of the music and in the dance, the cuisine and Candomble, a mixture of African and Christian deities and rites. This afternoon is left free for personal exploration of the area or to relax on the beach.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 3 Fly to Manaus, gateway to the Amazon

Today we transfer to the airport in Salvador and fly to Manaus, the famous city, set in the heart of the Amazon basin on the banks of the Negro river. The bustle of an urban community seems almost other-worldly in the midst of vast tracts of jungle stretching in all directions. Once rich and fashionable, the capital Amazonas is now quickly expanding as a free trade zone. When we arrive, we will transfer to our accommodation.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 Journey by bus and boat to reach our Amazon lodge

The morning is free to explore Manaus where you may wish to visit the Opera House. In the early afternoon we drive to the port where we board our boat and cross the Amazon, seeing the 'Meeting of the Waters' phenomenon en route. We continue by bus and travel by speedboat through the channels and creeks through the rainforest to our lodge.

Overnight: **Standard Lodge**
Single Room Available

 **Included Meals:** Breakfast, Dinner

DAY 5 In the Amazon; Jungle walk , visit the local community and search for caiman on a night boat trip

There are a range of activities to make the most of our time in the heart of the rainforest. Fish for Piranha, visit the local Caboclo community or take one of the treks into the jungle, accompanied by a local guide. At night it is possible to go caiman spotting by torchlight, their beady eyes reflecting the light, red pinpricks floating in the darkness. Whatever your preconceptions, you will be amazed by the area.

Overnight: **Standard Lodge**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Return to Manaus and fly to Cuiaba

Travelling by launch along the Rivers Juma and Macarico we return to Careiro Village and onto Manaus where we board our plane to take us to Cuiaba, from where we will begin our journey the following day into the Pantanal.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 7 Drive to the Pantanal Wildlife Reserve

Driving from Cuiaba to the Pantanal Wildlife Reserve along the Transpantaneira road we have our first encounters with wildlife at the waterholes. We have two full days to explore this paradise for birds and wildlife. There are over 600 bird species including waders, toucan, heron, stork, duck and coot and 350 varieties of fish, including the piranha. Animals include deer, armadillo, tapir, boar, the unusual capivara and thousands of Jacare caiman (alligator). Few visitors discover the remote Pantanal, so there is little infrastructure for tourists. Our lodge is located by a river and has a pool to relax beside - a wonderful combination of relaxation and a chance to see the most readily accessible and prolific wildlife in Latin America. Lie in your hammock and appreciate the evening birdsong.

Overnight: **Standard Lodge**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 8 Explore the Pantanal on foot and by boat

We plan to explore the area around our 'fazenda' on foot and in small boats. Our time here is flexible as we have two days to explore. Early morning and dusk is the best time for wildlife spotting, and we split large groups into two for better viewing opportunities. We will also have the opportunity to do some Piranha fishing.

We will experience the vastness of the Amazonian plains below as the flight takes up the majority of the day, and you will have the anticipation of seeing the Falls over the next day. With its jungle setting, the Iguazu Falls are perhaps the world's most beautiful waterfalls and are a major highlight of our trip.

Today we visit the falls on the Brazilian side. Set in a national park, the Iguacu River hurtles over high cliffs into a marvellous curved amphitheatre several miles wide - a breathtaking sight. The noise is tremendous and huge clouds of mist are churned up by the cascade. The surrounding spray-soaked forest is alive with brightly plumaged toucans, parrots, hummingbirds and colourful butterflies. From here it may be possible to take a spectacular helicopter flight over the falls (optional), or arrange a visit to the Argentinian side of the falls to get a close up of the fitfully churning 'Devil's Throat' by navigating a series of catwalks.

Flight time permitting this afternoon is free to relax - visit the Botanical Gardens existing in the city for more than 200 years, or sip a caipirinha overlooking the Atlantic Ocean. Preparing for your Trip

Climate

Brazil

As befits such a large landmass, there are several distinct regional variations. Rio's and Paraty's average maximum is 25°C May-October, the rains falling December to March. On this tour, rain should be expected at some time - and if travelling in July and August, temperatures will be cool at night in the area around Iguacu.

Clothing

Pack for hot conditions but bear in mind that several different climatic zones will be experienced. For Brazil lightweight clothing is necessary for mostly warm and humid daytime conditions, though evenings can be cooler. Lightweight raingear is essential. For early morning boat trips a fleece/windproof is recommended. Bring lightweight long sleeved tops and long trousers in neutral colours to protect from the sun and insects.

Equipment

Insect repellent, sunscreen and a torch.

Footwear

Comfortable shoes, trainers and sandals.

Luggage: On Tour

One main piece of luggage and a daypack. An overnight bag is needed for the Amazon visit - your main bags can be left behind at the Manaus hotel. Remember, you are expected to carry your own luggage - so don't overload yourself.
