Imagine being encircled in rookeries of chinstrap, Adelie and gentoo penguins, so close to colossal glaciers and icebergs towering above you.

Wildlife

Whales, a variety of seals and penguins, including the graceful-looking Adelie, playful Gentoos and the distinctive Chinstrap penguins.

Ship Description

The M/S Fram is a comfortable vessel for your polar exploration with modern amenities such as a fitness room, Jacuzzi and sauna. The ample indoor and outdoor public spaces are designed to ensure you enjoy the passing scenery and wildlife sightings; each table in the restaurant has scenic views and the observation lounge has panoramic windows. There's also a selection of shore excursions to choose from, allowing you to experience as much of the polar wilderness as possible.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Preparing for your Trip

Climate

Antarctica Region

Polar Temperatures during Antarctic season: Min.: -15°C; Max. 12°C; Average 0°C.

Argentina

Argentina has a climate that ranges from subtropical in the north to cold in the temperate south. The Andes has erratic rainfall and flash floods from December to May. From June to September spring like sunny days temper the cold nights.

Clothing

Pack comfortable, casual clothing for all activities. Wind and waterproof outer layers are essential, and a jacket is provided in the cost of the cruise. Beware of tight clothing that leaves no room for trapped air, which is an excellent insulator. Wool, silk and some of the new synthetic fibres, like polar fleece, retain heat better than cotton.

Parkas

A wind and waterproof jacket is provided as part of the cost of your holiday.

Gloves

Keeping your hands warm and dry can be a challenge. Thin polypropylene gloves can be worn underneath warm outergloves. This allows you some protection from the cold when removing your gloves to operate your camera etc. We strongly recommend that you bring more than one pair of gloves, in case one gets wet (or lost).

Hat/Cap

Warm, woollen hat/cap to protect your ears, as well as a scarf, neck gaiter or other face protection, such as a balaclava.

Trousers

Water-resistant trousers of coated nylon or, even better, Gore-Tex® are essential for your comfort. They can be worn over your regular clothes to keep you warm and dry. We suggest that you purchase trousers a few sizes larger than you normally wear as you will be wearing them over other clothing. Gore-Tex® or similar fabrics are excellent for keeping out wind and water without trapping excess heat. Rain gear and Gore-Tex® products can be found in any outdoor sport clothing store. In addition to your waterproof trousers, warm ski pants are suggested if you have them. Warm trousers such as jeans, corduroys etc are also good.

Socks

Warm wool socks worn over a thin pair of silk, polypropylene socks should provide enough warmth and insulation for your feet. Bring several pairs of socks, since you will inevitably get your feet wet.

Outer Clothing

Woollen, knit or cotton sweaters/tops, polar fleece tops (medium weight), several cotton turtlenecks and T-shirts for layering on and off the ship.

Underclothing

Thermal underwear is highly recommended as it will keep you warm without adding bulk. Most polar travellers prefer a lightweight version.

Equipment

Sunglasses and sun cream

Personal toiletries

A refillable water bottle

Books/reading material

Camera and memory cards (and something to protect the camera when out in the elements)

Seasickness remedy

Walking poles

Footwear

Waterproof boots are available on-board for a small charge.
Also ensure you take good walking boots and trainers for relaxing.

Luggage: On Tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Please note that a 15kgs luggage weight limit is sporadically enforced on the internal flight to Ushuaia, occasionally charges may be levied against passengers taking luggage in excess of 15kgs.

Luggage allowance on trip: 15Kg
