## DAY 1 Join tour in San Francisco

Join tour San Francisco and check-in at the hotel. Hugging the shores of San Francisco Bay, America's second most populous city is a fascinating mix of culture, commerce and character that cannot fail to charm.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 2 Sightseeing tour including the Golden Gate Bridge, free afternoon

We have the day to explore some of San Francisco's famous sights. On a morning's orientation tour of the city we take in the colonial architecture of Alamo Square and the colourful eccentricity of Haight Ashbury, San Francisco's once thriving 'hippie district' of the 1960s. Driving up to Twin Peaks we then enjoy some great views across the city and the bay (weather dependant), before moving on to Golden Gate Bridge and Fisherman's Wharf. This afternoon is free to perhaps take in Lombard Street and Coit Tower, returning by the city's famous cable cars back down to Union Square and Market Street.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 3 Transfer to Yosemite National Park, walk to the base of Yosemite Falls

This morning we leave San Francisco behind and drive northward, heading through Stanislaus County towards Yosemite National Park. Passing numerous orchards and vineyards we head up into the Sierra Nevada, towards the rugged beauty of Yosemite. A mere 20 kilometres long, the central valley is dominated by the vast granite bulks of Half Dome and El Capitan (twice the size of the Rock of Gibraltar). We aim to take a walk up to the base of Yosemite Falls (the highest waterfall in the States), before continuing along to our hotel in Mariposa.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** None

## DAY 4 Explore Yosemite National Park on foot

More than 90% of Yosemite is designated as a wilderness area and over the next two days we have ample chance to explore. We can hike up to Glacier Point and then follow the Panorama and Mist Trail back down into the valley (an additional 5-7 hours), a challenging walk that takes us past Nevada and Vernal Falls and offers some stunning views of Half Dome and El Capitan. Other less demanding options include bike hire, a walk up to the top of Yosemite Falls (3 hours walk to the top) or a relaxing day along the riverbanks. The park is filled with a variety of wildlife too, including hummingbirds, deer and even black bears.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** None

## DAY 5 Walks in Yosemite National Park

Today we continue exploring Yosemite National Park.

Overnight: **Standard Hotel**

## DAY 6 Travel to Bishop via Tenaya and Mono Lakes

Leaving the park this morning we plan to drive across the scenic Tioga Pass (3032m) en route to Tenaya Lake. After lunch we continue on to the surreal landscapes of Mono Lake, at the base of the High Sierras. This incredible body of water is two and a half times as salty and eighty times as alkaline as sea-water and whilst it can sustain no fish life, it does abound in brine shrimp and flies, providing food for millions of migratory birds. From here we drive to Bishop, where we spend the evening. On early season departures, if the passes over the Sierra Nevada are closed we may have to amend our itinerary and re-route the tour.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** None

## DAY 7 Journey through Death Valley to Las Vegas

Starting early to avoid the heat, we descend into Death Valley today, one of the lowest and hottest places on earth. After taking breakfast in Stove Pipe Wells (at own expense), we then journey into the heart of one of the most remarkable settings on earth, where the marbled rocks, salt pans and black mountains provide us with an incredible backdrop. In marked contrast we end our day in Las Vegas, America's extraordinary desert playground, where exploding volcanoes share centre stage with Venetian canals and ancient pyramids. This evening we have some free time to explore this unique city.

Overnight: **Premium Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** None

## DAY 8 Head to Zion National Park, walk to the Emerald Pools

Leaving the bright lights of Vegas behind us this morning we head next into the wilderness of south-western Utah and the stunning beauty of Zion National Park. Zion Canyon is an incredible natural landscape that sits at the meeting point of the Colorado Plateau, the Great Basin and the Mohave Desert. Home to golden eagles, elk and black bear, Zion boasts an incredible diversity of flora, from Ponderosa pine to desert bush. On arrival in the park this afternoon we take a walk to Emerald Pools before overnighting in nearby Springdale.

Overnight: **Standard Hotel**  
**Single Room Available**

## DAY 9 In Zion National Park, walks include Angel's Landing or the Narrows

Today we have a chance to hike up to Angel's Landing, to enjoy a spectacular viewpoint down across the valley (approximately 4 hours). Other option for today includes The Narrows, the latter of which takes us along the river bed and (depending on the season) may require us to negotiate waist-high water (approximately 3 hours). Those looking for a more arduous trek might like to try the hike up to Observation Point (about 5 hours). Later, we drive to Bryce Canyon, travelling via Buffalo and Mt Carmel Junction.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** None

## DAY 10 Early morning at Sunrise Point, Bryce Canyon, time to discover this natural wonder

This morning we see Bryce at its most radiant, in the golden hues of sunrise. This afternoon we do an afternoon hike around the Navajo Loop, possibly taking in Queens Gardens as well if we have time. ## DAY 12 Hikes in Arches National Park

Located a short distance from Moab is Arches National Park, home to the world's largest concentration of natural sandstone arches. With over 2000 arches, giant sandstone fins, balancing rocks and towering spires, the park provides a unique setting for today's hike. We take in the Devil's Garden, a strenuous four-hour trek that takes us through a landscape littered with arches. We also enjoy a more gentle walk around The Windows Loop (approximately 1.5 hours), before returning to Moab later this afternoon.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 13 Optional activities including mountain biking and rafting, view the sunset over Arches National Park

A free morning in Moab allows us a chance to enjoy some optional mountain biking or rafting excursions. Please note: Participation in canoeing, kayaking, or rafting (including whitewater) requires that you are able to swim 25 metres unaided. We then head back to Arches to walk to Delicate Arch for sunset (2 hours). Probably one of the most photographed arches in the American southwest, Delicate Arch, with its backdrop of the snow-capped peaks of La Sal, provides the perfect setting for our late afternoon hike. After our walk we then head back to Moab for the evening.

Overnight: **Standard Hotel**  
**Single Room Available**

There is the option to join a jeep tour today to enjoy a Navajo Cultural Experience. On the May and June departures, we will be continuing towards Page, via the Navajo National Monument, taking a short walk from the visitors centre to view the Anasazi (ancient Pueblo) ruins in the Betatakin Canyon. On the July to September departures, we overnight tonight in nearby Kayenta and visit the Navajo monument tomorrow.

Overnight: **Standard Hotel**

The hike down to Indian Gardens takes around three hours, with the journey out to Plateau Point adding an extra 45 minutes each way. ## Preparing for your Trip

---

### Climate

#### USA

There are great variations in the altitude and terrain of the areas visited and this is reflected in the temperatures. Desert areas can be extremely hot in the summer months (49°), though temperatures can drop dramatically at night. The mountains are cooler and wetter especially in the north of the Rockies. At the beginning and end of the season there may still be some snow around in the high passes and it can be cold, whereas in mid-summer the day time temperatures can soar.

---

### Clothing

Pack for hot conditions for June, July and August departures. For departures earlier and later in the year, the weather can be cooler, especially at night in the desert so make sure you bring some warmer layers including a fleece. Include a long sleeved shirt and warm trousers. Also a lightweight waterproof jacket, swimwear and a sun hat.

---

### Equipment

Bring a water bottle (3 litre capacity), high factor sunblock, plastic bags to keep things dry and a (head) torch and a towel. You may find a walking pole useful and insect repellent especially in June and July.

---

### Footwear

Lightweight walking/hiking boots with good ankle support, trainers and/or sandals for travelling.

---

### Luggage: On Tour

Bring only the bare essentials - one main bag plus a small daypack for walking and for personal items. Main luggage cannot be accessed during the day. Soft luggage is more practical. Bring plastic bags to keep things dry. Laundry facilities are available at various points during the trip.

Luggage allowance on trip: 20kg

---

### Transport

This tour utilises maxi-wagons which can carry up to 14 people plus a driver. Space inside is limited so we try to rotate seating positions regularly and carry a maximum of 13 passengers. Luggage and equipment are generally carried on the roof or in a trailer, so don't bring too much.
