Your tour itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

DAY 1 Join tour in Johannesburg; drive to the Drakensberg Mountains

Heading south-east out of Johannesburg our first destination is the Drakensberg Mountains. Drakensberg is the world's oldest mountain range and derives its name from the Afrikaans word for 'Dragon Mountains'. In the inevitable mist and the razor back ridges one can see a likeness to these mythical beasts. The hikes, the plunge pools and all-round silence make the Drakensberg Mountains a must-see. The Drakensberg itself comprises basalt massifs that have been cut through by crystal clear streams. The indigenous people that lived here called these mountains the Ukhamba, or barrier of spears, because all of their peaks resemble upturned weapons. The old San bushman culture is reflected richly in the paintings that dot the cliff faces and overhangs, reminding all South Africans of their rich history. On arrival this afternoon we will have the opportunity to take a short walk to appreciate our surroundings in the Royal Natal National Park.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Dinner

DAY 2 Hike in the Tugela Gorge

Today we have the opportunity to explore the breath-taking amphitheatre where the Tugela River has its source. These are said to be amongst the world's highest falls, dropping some 900 metres off the top of the Drakensberg escarpment. The scenery is spectacular, and in spring and summer the valley is a carpet of indigenous flora. The path meanders in and out of lush forests with great views down the hills. This will be a 4-5 hour walk. For those feeling less energetic there are a number of shorter walks available to you near the campsite and there may be a possibility of taking a dip in a cascade by a waterfall.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 3 Visit battlefields; drive to Ulundi

Today we visit the famous battlefields and witness authentic Zulu war dancing (optional depending on numbers). As anyone who has ever watched the film Zulu Dawn will know, the battlefields of Rorke's Drift and Isandlwana were the scenes of bloody and hugely significant events in the history of the Zulu nation. We will visit the battle sites of Rorke's Drift and Isandlwana to gain a perspective into the people and history of South Africa. Isandlwana is undoubtedly the most haunting of all the battlefields as the many white cairns reflect upon the arrogance of a Victorian empire and the victory of the Zulu people who call themselves 'the children of the stars'. The hill of Isandlwana stands a silent testimony to the determination and pride of the Zulu people. Isandlwana is truly haunting in the lessons it taught South Africa of colonialism and the folly of war. Rorke's Drift, a battle made famous in the film Zulu, is unique for the awarding of eleven VC's in a single engagement. We make our way to the Zulu Capital in Ulundi where we will overnight in traditional-style huts.

Overnight: **Standard Hut**

 **Included Meals:** Breakfast

DAY 4 Game Drives at Hluhluwe-Umfolozi Game Reserve; drive to St Lucia

We spend our first full day in the area making an extensive game drive in the famous Hluhluwe-Umfolozi Game Reserve - formerly the Zulu kings' hunting ground in days gone by. This reserve has achieved remarkable success with an ambitious rhino conservation programme which has brought the rhino back from the brink of extinction. As a result, it now supports the densest rhino population in Africa with both black and white rhino. It also supports lion, cheetah, leopard, wild dog, and crocodile. Birdwatching is particularly good in the reserve with over 500 species recorded. We make our way to St Lucia in the late afternoon.

Overnight: **Standard Lodge**
Single Room Available

 **Included Meals:** Breakfast

DAY 5 At St Lucia Wetland Reserve

Today is left free for you to choose one of the many optional activities available in the area. The beaches of St Lucia and Cape Vidal are completely unspoilt and untouched, with recent legislation prohibiting vehicles from entering and blemishing these huge tracts. It is an internationally recognized site for the critically endangered leather-backed turtle. A phenomenon that is unrivalled is the annual migration of sardine fish, followed by dolphins, sharks, barracudas and marlin. Apart from enjoying the natural wonders on another game drive, you may like to take an active excursion by 4WD within the Wetland Park itself to Cape Vidal which includes dune walking, a braai (or barbeque) and snorkelling. Some of the other optional activities available are a night drives around the wetland reserve to possibly see genet, owls, chameleons and rare cats. Also from November to February there are trips to spot giant turtles coming ashore. Whale watching is good from June to November. There is also the option of a boat trip on the St. Lucia River to spot hippos, birds and crocodiles.

Overnight: **Standard Lodge**
Single Room Available

 **Included Meals:** Breakfast

DAY 6 Drive to Swaziland

We drive north and enter Swaziland - a tiny, independent kingdom inhabited by the Swazi tribe who revere their king and hold on to their culture and traditions. Our journey takes us through some spectacular scenery in the Ezulwini Valley and past numerous traditional homesteads and curio stalls. In the late afternoon we enter one of Swaziland's best wildlife reserves, Mlilwane Wildlife Sanctuary. This secluded and beautiful sanctuary is a haven of tranquillity, located as it is in a natural bowl beneath the Nyonyane Mountains. For the next two nights our accommodation is in traditional dome-shaped beehive huts set in a wooded area. Though the

camp has all the mod cons of showers, toilets, outdoor swimming pool and restaurant/bar it is rustic in the best sense of the word. Warthogs and ostrich share the camp with us and the restaurant overlooks a lake populated by water birds.

Overnight: **Standard Beehive Huts**

Single Room Available

 **Included Meals:** Breakfast

DAY 7 Game viewing and optional activities in Mlilwane Wildlife Sanctuary

Mlilwane is Swaziland's oldest protected area, owned and managed by a non-profit making trust. Mlilwane is situated in the low foothills of the Nyonyane Mountains. The Sanctuary has been rehabilitated and is now Swaziland's most frequently visited reserve where one can enjoy the beauty of the surroundings and the abundant wildlife that grace the plains. Visitors can explore the southern portion of the Sanctuary by foot, vehicle, and on mountain bikes. This morning we begin with a walk in search of zebra, wildebeest, impala, nyala and warthog. Mlilwane has a large area of open grasslands, so game viewing is relatively easy. The afternoon is left free for you to choose one of the many optional activities on offer. The great advantage of Mlilwane is that the absence of big cats allows for a very different game viewing experience. Those who simply want to relax can sit back in the camps and enjoy the tranquillity of Nature.

Overnight: **Standard Beehive Huts**

Single Room Available

 **Included Meals:** Breakfast

DAY 8 Drive to Kruger National Park

After an early start, we drive north, enter South Africa and a little further on cross the Crocodile River into the Kruger National Park. This two million hectare wilderness is amongst the world's first proclaimed Game Reserves and is justifiably South Africa's showpiece, with 147 mammal species roaming in the freedom that this National Park offers. It has a very good infrastructure, although 96% of the land is still as pristine and untouched as it was before the first settlers arrived. The Kruger Park is a world leader in animal and plant research. It offers scenery as diverse as riverine forest, granite outcrops, endless savannah and impenetrable Mopani woodland. We take open-vehicle game drives in our modified Toyota Landcruisers on our way to the camp where we overnight. These camps are very comfortable.

Overnight: **Standard Bungalow**

Single Room Available

 **Included Meals:** Breakfast

DAY 9 Game viewing in Kruger National Park; drive to Graskop

This morning we drive around the Kruger National Park, one of the world's premier game reserves. Covering an area larger than Israel, the park was established in 1898 to protect big game that had almost been hunted to extinction. The park is now one of the most prolific animal habitats in South Africa, committed to animal conservation and patrolled by armed rangers to prevent illegal poaching. A large number of species are present, including elephant, lion, black and white rhino, leopard, cheetah, giraffe, zebra, wild dog, hyena, wildebeest and almost all of South Africa's species of antelope. Bird life is just as impressive with crowned cranes, bee-eaters, sunbirds and vultures. We spend a full day in the park before moving on to Graskop in the late afternoon for our overnight stop.

Overnight: **Standard Lodge**

Single Room Available

 **Included Meals:** Breakfast

DAY 10 Drive through Mpumalanga to Johannesburg where tour ends

The airy uplands of Mpumalanga (formerly Eastern Transvaal) have been inhabited since Stone Age times and with the region's plentiful water from mountain rivers, multiple waterfalls, beautiful craggy escarpments covered in vegetation, and colourful birdlife, it is easy to understand why. We'll stop at several excellent viewpoints, including the aptly named 'God's Window' and admire the awe-inspiring Blyde River Canyon before we make our final journey back to Johannesburg.

 **Included Meals:** Breakfast

Accommodation and Meals

Accommodation Rating

South Africa has a good tourism infrastructure and generally good service standards. Our accommodation throughout this tour is varied to reflect the many aspects of this beautiful country. We use a combination of small, family run guesthouses, characterful park

lodges, and we spend one night in a permanent tented camp. Some of the properties are owner-occupied and give a real taste of traditional South African hospitality and we love supporting these small local businesses. In St Lucia we stay at a local style lodge within the wetlands area. Our most unusual accommodation is our beehive huts in Mlilwane - a traditional Swazi design but with en suite facilities! In Kruger we stay in a tented camp in the heart of the National Park, a great base for our exploration of these iconic gamelands.

Preparing for your Tour

Climate

South Africa

Mild throughout the year and can thus be visited year round. The Western Cape has a Mediterranean-type climate, with warm, dry summers and cold winters with rainfall. Summer runs from November to March, with temperatures averaging 22oC to 34oC. The months of April and October are generally warm and sunny. Winter is also a good time to visit as towns and sites are not so crowded and the countryside is more verdant, but it can be cold. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>. Seasonal weather patterns can be unpredictable. Up-to-date information on the weather worldwide can be found by following the BBC weather link on this page.

Swaziland

Can be visited all year round. Most rain falls in the summer months (October-April). The climate during this period is generally hot and humid in the lowlands with temperatures sometimes up to 40°C. Winters (June-August) are much drier and colder, but still pleasant for travel. The high veld has a temperate climate. Average daily sunshine hours are high throughout the year. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>. Seasonal weather patterns can be unpredictable. Up-to-date information on the weather worldwide can be found by following the BBC weather link on this page.

Clothing

Clothing should generally be lightweight for the day. A few warm fleeces and long trousers are strongly recommended as nights can be very cold, especially from May to August and in the highlands of Swaziland. A waterproof and windproof jacket are also recommended, particularly between October and April. Avoid brightly coloured clothing for game viewing. Take a swimming costume. Please note that it is forbidden to wear camouflage clothing in Swaziland.

Equipment

Bring a torch, water bottle, sunhat/sunscreen and insect repellent. Binoculars are essential for game viewing and a 300mm lens is recommended for photography. Mosquito nets are not required as the accommodation provides screening where necessary.
