Transylvania Long Weekend

Romania is a ruggedly beautiful country and on this long weekend we uncover dramatic mountains, Medieval towns and fairy tale castles. We travel deep into Transylvania - the legendary home of Dracula - and visit the Saxon fortifications in Brasov. In season we have the unique opportunity to watch European brown bears emerge from the thick forests to feed at a local reserve.

Wildlife

The Carpathian area of Romania is home to an estimated 6000 brown bears, which is one of the few strong and healthy populations remaining in Europe. The female brown bear can weigh up to 200kg and the males weigh in at around 350kg - the largest on record in Romania being an astonishing 480kg.

Bears are most active in the morning and evening when they forage for food, then resting during the day in their woodland habitat. The mating season is between May and July, so we may be lucky enough to see males courting potential female mates. The cubs are then born over the winter and take their first exploratory steps into the outside world in the spring, which we may get to see on our April departures. Towards the end of the summer, the bears will be more active as they seek out food to increase their weight before the harsh winter. Over the winter, the brown bear generally hibernates so sightings will not be possible.

Although it is not possible to guarantee that we will see brown bears on this trip, the majority of our groups have had sightings.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Tour Pace: Moderate

These moderately paced tours provide some busy days with plenty of experiences to enjoy, as well as time to relax along the way.

DAY 1 Join trip in Bucharest

Arrive in Bucharest and meet the group. Bucharest is Romania's largest city and became the capital in 1832. In the past Bucharest has been thought of as somewhat drab and dull, but thanks to a period of urban renewal and modernisation, it's now a bustling city at the centre of Romanian culture, art and media. On all our trips to Romania we use minibuses to get around. Many of the roads in the Romanian countryside are twisty and narrow and the road surfaces can be poor in places, so by using these smaller buses it means that we're able to access areas that the larger coaches can't get into. The minibuses usually have around 20 seats with two next to one another and then a single seat on the opposite side of the aisle and four along the back row. The seats are comfortable and equipped with armrests and seat belts. There's normally a rack for day bags and coats above the seats and the main luggage is stored in the rear boot. Leg room is however less plentiful than on a full size coach. There are a few photographs of the type of minibuses used within the image gallery tab for this trip.

Overnight: **Standard Hotel**
Single Room Available

Included Meals: None

DAY 2 Tour of Bucharest and evening bear watching

This morning we start our day with a city tour of Bucharest. A remarkable blend of turn of the century elegance and Communist excess can be observed through its architecture. Situated on the Danube Plain and set amid a series of lakes and spacious gardens, remnants of more gracious days still exist to charm the visitor. We visit many of the older parts of the city to see some of the buildings that earned it the reputation as the Paris of Eastern Europe and of course no visit would be complete without seeing the Casa Poporului, the magnificent but blatantly excessive palace of ex-President Ceausescu. After our tour, we make our way to the observatory for bear watching. The Romanian bear population is one of the few strong and healthy populations remaining in Europe and the Carpathian Mountains are home to about 43% of all European bears (approximately 6,000 individuals). This region is therefore of key international importance in the conservation of brown bears and due to increasing human-bear interactions, it's also the focus of much research into the effective management of bears and their habitats. Bears may be active at any time of the day, but generally they forage in the morning and evening and rest in dense woodland cover by day. We try to spot these bears from a hide at dusk when they come out to feed. From here we drive to the Transylvanian village of Moieciu, where we stay in a local guesthouse for the next three nights. Please note, that the bear watching from the observatory may take place on day 4 depending on the local forestry department's advice.

Overnight: **Standard Guesthouse**
Single Room Available

Included Meals: Breakfast

DAY 3 Visit to Peles and Pelisor Castles; chance for further bear watching

We start this morning with a walk in the Bucegi Mountains surrounding Moieciu. The surrounding forest and woodland are protected as a nature reserve. After our walk we drive to nearby Sinaia, known as the 'Pearl of the Carpathians' because of its stunning scenery. Our first port of call is the wonderful Peles Castle. Built for the imported Hohenzollern monarch Carol I, Peles resembles a Bavarian chateau and is richly decorated with stained glass, Persian carpets, Renaissance weapons, ebony and mother of pearl. Then we visit the adjacent Pelisor Castle, largely the creation of Queen Marie of Romania, with a fine Art Deco and Art Nouveau interior. We return to Moieciu this afternoon and there will be the opportunity for you to choose to spend more time bear watching at the observatory. A late dinner is included this evening at our guesthouse where we enjoy a traditional home cooked meal.

Overnight: **Standard Guesthouse**
Single Room Available

Included Meals: Breakfast, Dinner

DAY 4 Visit to Bran Castle; Brasov walking tour including the Black Church

Today we visit the castle at Bran. The truth behind Dracula's Castle is even more fascinating than its myths. In the early 20th century it was the home of the remarkable British born Queen Marie of Romania, granddaughter of Queen Victoria. Vlad the Impaler, the infamous 15th century ruler of Wallachia, never actually lived here and Bram Stoker never came near Transylvania! Perched on a crag in a valley between two high mountain ranges, the castle controlled an international trade route, but is now a rural backwater. Exploring the village, the castle and the museum gives us a chance to unravel fact from fiction. Later this morning, we drive to the Medieval city of Brasov. Brasov is one of the most historic cities in Transylvania, and we spend the rest of the day exploring. The town is a gem of old buildings, cobbled streets and local atmosphere all clustered within the Medieval fortifications and overlooked by a magnificent 15th century Gothic cathedral. Founded by German settlers to protect the routes that made their way up to the high passes over the Carpathians, Brasov is an architectural delight. There are several churches dating from the 14th through to the 18th century and we shall include a visit to the Black Church as part of our tour. Later this afternoon you may like to visit one of the museums, the First Romanian School or Saint Nicolas Church in the Scheii area (the old Romanian district of Brasov). In the evening you have an option of returning to the observatory for more bear watching.

Overnight: **Standard Guesthouse**
Single Room Available

 **Included Meals:** Breakfast

DAY **5** Trip ends at Bucharest airport

We make our way to Bucharest airport where our trip ends. If you have a later flight, you may choose to return to Bucharest and visit some of the historic buildings or museums. If you fancy a change of pace, there is always the possibility of some shopping. Since the 1990s brand names and high-end stores have been pushing their way into the Romanian market. From high fashion boutiques to art galleries, shopping in Bucharest can fit any taste or budget. Stroll down Blvd. Magheru from Piata Romana to Piata Universitatii for a shopping extravaganza or hit one of the many shopping malls favoured by the local rich and famous.

 **Included Meals:** Breakfast

Included Activities

During our stay at our guesthouse in Moieciu we will visit a bear observatory and spend an evening in a hide to try spotting these impressive wild animals. Our local agent is in regular contact with the wildlife authorities to find out which hides offer the best chance of seeing bears depending on the areas where they have been most recently spotted. There are 22 hides in the area and they accommodate 5 to 15 people at a time, so depending on the size of the group you may be split between different hides. If there are one or two particular hides where the bears are frequently being seen then the group maybe split, so that some of us go into the hides on one night then the remainder on the next in order to give everyone the best chance of seeing them. The transfer from our guesthouse to the hides will take between 20 minutes to 1 hour depending which ones we will be using.

We will either have an early dinner before or a late dinner after our bear watching excursion. Depending on the time of year you will be in the hides for two to four hours and we generally enter them between 16.00 to 18.00 and leave between 19.00 to 22.00, so that we hopefully see the bears when they come out to feed. Once in the hides you must remain inside until the end of the excursion. There are no toilet facilities within the hides, but there will be the opportunity to stop at a service station for a bathroom break before arriving. Generally outdoor shoes aren't permitted to be worn inside the hides (in order to keep them clean and noise to a minimum), so you might want to wear soft slippers or thick socks when inside. It is advisable to bring insect repellent with you.

In Bucharest when visiting the Palace of Parliament or Casa Poporului as it's also known, you must take your passport with you to be permitted entry.
