 **Included Meals:** None

DAY 2 Drive to Leon via the Reserve Juan Venado; afternoon boat tour

Leaving Managua behind, we head first to Mirador Tiscapa, which overlooks a volcanic crater lake that is more than 10,000 years old. Before the revolution, the hill was home to the old presidential palace and it provides some superb views down across the city. We follow the Pacific coast to our lunch stop and continue on to the Natural Reserve Isla Juan Venado, located just to the south of the golden beaches of Las Peñitas. A boat trip takes us out to the island reserve, a haven for caymans, iguanas, crocodiles and birds. It is also a favoured nesting area for the Olive Ridley sea turtles, which come here between August and December each year to lay their eggs. We drive in the afternoon to the old colonial capital of Leon, which lies in the shadow of the Cordillera de los Maribios Mountains.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast, Lunch

DAY 3 Morning climb on an active volcano and then visit San Jacinto fumaroles

After breakfast this morning we climb the youngest volcano in Central America, the basal-tic cinder cone of Cerro Negro (Black Hill). Occupying part of the Cordillera de los Maribios mountain range to the east of the city, it rises to a height of 728 metres. We climb its gravelly slopes to the summit allowing views of the stunning panoramas across the surrounding landscapes. On the descent you can run, jump or roll down the sandy ash! Returning to León there will then be time for a short siesta, before visiting the Volcanic fumaroles at San Jacinto.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 4 Drive to Playa Los Cardones with afternoon surfing lesson

We will start this morning with a visit to CIMAC - an educational park where we can see the four ecosystems of Nicaragua. We follow this visit with a short tour of the city. Still considered the intellectual centre of Nicaragua, the old buildings, with their wrought iron balconies and the arched colonnades along with narrow streets, all give the city a certain elegant serenity that seems to be frozen in time. The city's huge cathedral is believed to be the largest in Central America and a climb up to its roof affords some spectacular views across the city and out towards the volcanoes in the distance. We also visit the entertaining and illuminating Museum of Legends and Traditions located in a once infamous prison, today the cells are occupied with mannequins that illustrate some 14 different myths and legends. After this we will continue to Playa Los Cardones. Arriving around midday we check into our lodge, after which the rest of the afternoon is free to enjoy some included surfing lessons with a qualified instructor. The area of water closest to the lodge is ideal for those with little or no experience of surfing and each lesson last about an hour, with children between 6 and 11 being given individual instruction.

Overnight: **Simple Lodge**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 5 Visit a school in At Playa Los Cardones

After breakfast we pay a visit to a local school and meet the local children to learn how they live - education in Nicaragua is free, with elementary education also being compulsory, although it is difficult to enforce in the rural communities as many children have to work. Please note: this activity will not be possible during their school holidays, which run from the beginning of December until the end of January. Back at our lodge, we visit a turtle hatchery, where we may be lucky enough to watch a baby turtle being born. These shores are a haven for Olive Ridley turtles, who come here every year to nest along the Pacific coastline. The rest of the afternoon is free to hit the beach again, or perhaps enjoy some more surfing (optional).

Overnight: **Simple Lodge**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 6 Drive to San Jorge, ferry to Ometepe Island

We head inland this morning towards the expansive shores of Lake Nicaragua and the island of Ometepe. We drive to the town of Rivas for lunch, we then continue the short distance to San Jorge, where we take the ferry across to the island. Ometepe is made up of two volcanoes connected by an isthmus - its name comes from the Nahuatl language and means 'two hills'. The perfect cone of the Concepción volcano soars from the depths of Lake Nicaragua to 1610m, only just dwarfing the neighbouring Maderas volcano at 1394m. On arrival to the island we transfer to Charco Verde for the next two nights. We take the time to stop off at some famous pre-Colombian petroglyphs that were left behind by the island's previous inhabitants countless centuries ago.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 7 On Ometepe Island - visit Charco Verde farm and swim

This morning we start our day with a short walk from Charco Verde around the Lagoon. On the walk we will hopefully get the opportunity to see some reserves bird life such as the great egret, cormorants, woodpeckers and night herons. Following this we will transfer to the foot of the Maderas volcano to Finca Magdalena, where we will have a brief stop at the famous pre-Colombian petroglyphs that were left behind by the island's previous inhabitants countless centuries ago a popular place known for its organic farming processes. Finca Magdalena, is home to the Cooperativa Carlos Díaz Cajina, an agricultural cooperative, which consists of 24 members and their families all living and working close by and one of the residence will show us how the local produce is made including organic coffee, beans and vegetables. After this visit we will head to Playa Santo Domingo where we will have lunch before heading to 'Ojo de Agua' a natural water pool where we can swim and relax for the rest of the afternoon.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 8 Drive to Granada via the Mombacho Volcano and a canopy tour on zip-wire

Heading back to the ferry port on the outskirts of San Jose del Sur, we cross back to the mainland this morning, from where we drive to the Mombacho Volcano, one of the most distinctive landmarks anywhere in the country. We drive to the top, snaking our way up a steep slope and past fields of coffee plants as we make our way up in to the cloud forest. The views from up here can be spectacular and we might even catch a glimpse of Granada and Las Isletas far below. After learning something about the unique flora and fauna of the cloud forest you have a chance to glide through the lush forest on a canopy tour, zipping through the trees on a wire harness as the base of the volcanic craters. After this adrenaline filled adventure we then journey north, towards the lovely city of Granada.

Overnight: **Premium Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 9 Discover Granada by horse cart and visit Masaya market plus see a volcano

Atmospheric Granada is a colonial gem, situated at the foot of Mombacho volcano on the north-west shore of Lake Nicaragua. Founded in 1524, it was the first colonial city in Nicaragua and its magnificent setting, set off by baroque and renaissance buildings, is a pure visual delight. We plan a city tour on foot this morning and by traditional horse carriage, visiting some of the city's most beautiful colonial buildings and learning more of its fascinating history. Granada is the perfect city to explore on foot, wandering the narrow lanes and alleyways and discovering its hidden delights amongst the lush greenery and historic buildings. After lunch we visit the popular Masaya market, a major centre for arts and crafts, where you can throw yourself into the hustle and bustle and barter from everything from baskets and pottery to jewellery and leather work. Later we visit the tranquil setting of the Masaya Volcano National Park, where you can peer into the bowels of this smoking, belching giant before returning to Granada for our second evening.

Overnight: **Premium Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 10 Cycle to Puerto Asese and kayak around Las Isletas

Puerto Asese lies just 6 kilometres from Granada, making it an ideal destination this morning to head to on bikes. From here we take to the waters of Lake Nicaragua in kayaks, spending the morning paddling through some of the myriad of islands and inlets that pepper this coastline. Beautifully lush, these 365 tropical islets that occupy this vast expanse of water are a magnet for the local birdlife and we'll have time to linger and enjoy this most tranquil of settings before taking lunch on one of the islands. On our return to Granada we will visit the Chocolate Museum in Granada where we can see some of the famous cacao beans being turned into a range of organic chocolate. The Museum is located in a wonderful 5-patio mansion in the historic centre. You will participate in a workshop where you will learn the history of the Cacao bean and its use as well as all the processes required to make chocolate from the fermented organic cacao beans. You will learn how to roast, winnow and grind the beans as well as how to refine chocolate liquor. Finally you will have the opportunity to mould your own handmade Nicaraguan chocolate bar that you can take home with you.

Overnight: **Premium Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 11 Fly to the Caribbean and Corn Island

Transferring to Managua Airport this morning we fly east, across rainforests and the Caribbean to the remote landscapes of Corn Island. On arrival we will check in to our hotel, after which the rest of the day is free to enjoy at your leisure. Corn Island is blessed with three miles of white sandy beach and its crystal clear waters present a slice of turquoise paradise, so we can recommend an

afternoon dip in the Caribbean. Please note that there is a weight limit of 11kg per person on the flight to Corn Island and you can leave any excess luggage on the mainland where you can collect it on your return.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 12 On Corn Island; swimming and relaxing

Lying 70 km off Nicaragua's mainland, Corn Island was once a British Protectorate and English is still widely spoken amongst the local people. Completely different from anywhere else in Nicaragua, the Caribbean islands and coast are largely inhabited by a mix of Creole people of mixed black heritage and Spanish speaking Mestizos, making it a fascinating mix of cultures and traditions. With two days to explore and play, the island is very much yours to enjoy.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 13 On Corn Island with time to relax on the sandy beaches

You can take a walk around the island, sit under a coconut palm tree or snorkel amongst tropical fish on the reef. Nearby Little Corn Island and its palm fringed beach is easily accessible by boat, so why not take a trip across to explore. In the evenings you can try some fresh lobster or prawns at one of the local restaurants and just sit back and enjoy the laid-back charm of the Caribbean.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 14 Fly to Managua with afternoon visit a Natural Reserve

This morning we take the flight back to Managua, and spend the afternoon visiting the Chocoyo-El Brujo Natural Reserve - a protected area where we will hopefully have a chance to see monkeys and several species of birds. These dry tropical forests are home to monkey and a vast array of birds, including the wonderfully brilliant green parakeets. Later this afternoon we drive to our hotel close to the airport.
