Yellowstone And Western Trails

Following scenic park trails we discover some of the most spectacular scenery in North America's National Parks. From glaciers and rivers, to deserts and canyons, hot springs and waterfalls, join us as we view the geysers of Yellowstone National Park, meander amongst the hoodoos and rock formations of Arches and Canyonlands and hike along the shores of dramatic glacial lakes.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Simple

No-frills accommodation which includes berths on sleeper trains, rooms in village houses, boat cabins, campsites, huts and simple family-run lodges, guesthouses and hotels. Sleeping arrangements are simple and amenities are adequate, sometimes with en suite facilities and occasionally communal.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Trek Grade: Easy to Moderate

This grade is ideal if you want to enjoy both easy and moderate level walks on the same tour. You'll be walking mainly on good paths and at low altitude, with occasional more demanding ascents or descents.

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

DAY 1 Join tour in Salt Lake City

Join tour in Salt Lake City

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 Drive to Yellowstone National Park area

Leaving early we journey north towards the Rockies, aiming to reach the outskirts of Yellowstone National Park. We travel through Utah and Idaho passing through National Forests and the Fort Hall Indian reservation. The scenery today is on a par with Yellowstone itself, and we plan to stop off at the magnificent Mesa falls, on the approach we witness the toothy skyline of the Teton Range, which thrusts up 2135 metres from the plains - out to the north you can see Big Bend Ridge, the western flank of a volcano that erupted 1.3 million years ago. We reach West Yellowstone late in the day, our long drive enabling us to make the most of our time here. The elevation of this area is just under 2300 metres, so nights can be cold.

Overnight: **Simple Cabins**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Lunch, Dinner

DAY 3 Exploring Yellowstone NP

We have almost 3 full days to thoroughly explore the wonderland of Yellowstone National Park by vehicle and on foot. Although scenery is the primary draw of this area, the park abounds with wildlife. Having been protected from hunters since the park's inception, bear, moose and elk are frequently seen. Here we see geysers, hot springs and mud volcanoes and walk along beautiful trails. There are flowery alpine meadows to explore where wild animals roam. Buffalo Bill was the first to bring tourists here (often royalty he'd met on his travels) and these visitors, like us, marvelled at the spectacular scenery. The volcanic activity frightened the Indians who believed this to be the land of evil spirits, and so the wilderness remained unexplored until it was declared the first National Park in 1872. We plan 2 half day walks in the park. The itinerary is flexible depending on local conditions and the ability of the group but will incorporate areas such as the Grand Canyon of Yellowstone with its beautiful waterfalls, Mud Volcano, Beaver Ponds Trail and Mammoth Hot Springs.

Overnight: **Simple Cabins**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 4 Explore Yellowstone NP

Today we continue exploring more of Yellowstone National Park.

Overnight: **Simple Cabins**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 5 Visit Old Faithful and drive to Grand Teton NP

Before leaving the park this afternoon we drive to the Upper Geyser Basin. Old Faithful - the most famous and reliable of the geysers is here, amidst this intensely geo-thermal area, home to the world's largest concentrations of hot springs and geysers. We spend 4-5 hours in the area, walking from Firehole River to Geyser Hill, perhaps diverting to Morning Glory and Biscuit Basin. We travel on to Grand Teton N.P. via Colter Bay where we visit an Indian Arts museum (optional). We continue to our base, just outside the park, for the next 4 days. The Grand Teton area is blessed with some of the most dramatic mountain scenery anywhere in North America - 10 summits carved by glaciation tower three kilometres above the valley floor. At the foot of the mountains lies a necklace of sparkling lakes. These jagged pinnacles are the inspiring back-drop for our hikes in the park.

Overnight: **Simple Cabins**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 6 In Grand Teton NP; Cascade Canyon

On our first day we drive to Jenny Lake. You may follow the shoreline on foot and follow this scenic walk up to Hidden Falls and Inspiration Point (4 hrs return). Then we continue further to Cascade Canyon passing beneath Mount Aven where moose and bear are often spotted. On the return it is possible to take the passenger ferry (optional) which plies across the blue waters of Jenny Lake, back to our transport waiting on the far side - high above hangs the Teton Glacier, a stunning finale to our walk.

Overnight: **Simple Cabins**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY **7** In Grand Teton NP; optional rafting on Snake River

Our second day is free for relaxing in nearby Jackson, an ideal place to wind down after the last few days. The downtown area still has the boardwalks so typical of the first town in the west and has some good shopping. It is an excellent centre for outdoor activities: grade 3 rafting trips on the Snake River can be arranged or you could perhaps hire a bike for some independent sightseeing.

Overnight: **Simple Cabins**
Single Room Available

 **Included Meals:** Breakfast

DAY **8** In Grand Teton NP; Hike at Amphitheatre Lake

The final day can be spent hiking up to Amphitheatre Lake - a tough trek (6 hours walk) which rewards the traveller with remarkable views of Jackson Hole and its lakes - alternatively for those wishing something easier, it is possible to stroll around one of the many nearby glacial lakes such as Taggart and Bradley.

Overnight: **Simple Cabins**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY **9** Drive to Flaming Gorge area

We drive through the Gros Ventre range onto the Sublette Plateau, heading down through the rich red-hued rock of Flaming Gorge, appropriately named by Major John Wesley Powell whilst on his famous expedition in 1869. Once a hideout for Butch Cassidy, Flaming Gorge is now home to wildlife such as Osprey which are often spotted nesting on craggy rock pinnacles and clifftops and here we explore the Canyon Rim Trail on foot (1.5 hours walk). Tonight we stay near the town of Vernal.

Overnight: **Simple Cabins**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch, Dinner

DAY **10** Drive to Moab via Dinosaur National Monument

We traverse the high desert landscape which switches to pine clad mountains as we enter the state of Utah. Here we explore the Dinosaur National Monument, renowned for the exceptional number of dinosaur bones discovered in one single sandstone cliff, including Brontosaurus. We journey across the 2511 m high Douglas Pass to Moab.

Overnight: **Simple Cabins**
Single Room Available

 **Included Meals:** Breakfast, Lunch, Dinner

DAY **11** Fisher Towers Recreation Site and Canyonlands National Park

Waking early to take advantage of the brief respite from the desert heat, we drive to the Fisher Towers, one of the most outstanding scenic features of Utah's Colorado Riverway. Rock pinnacles soar above a maze of red and purple hued canyons. The 3 kilometre hiking trail along the base of the towers offer excellent views (3-4 hours). In the late afternoon, we head to Canyonlands National Park where we explore the arid, canyon incised region set at an altitude of 1800 metres, known as the 'Islands in the Sky'. The plateau is set 600 metres high above the confluence of the Green River and the Colorado. We visit Mesa Arch and Grand View Overlook, walking some of the trails into the desert wilderness.

Overnight: **Simple Cabins**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY **12** Free day in Moab

As well as being ideally located for walks in the nearby parks, Moab is one of the USA's leading adventure centres where you can take advantage of the many activities on offer. The opportunities are boundless, for example taking an optional half day float trip on the Colorado River - a unique way to view the towering canyons and experience the silence and beauty of this remote area. We use inflatable kayaks and will travel over some small rapids, but no experience is necessary. There is also an opportunity to make an

optional jeep excursion to visit areas which are inaccessible to other vehicles, perhaps seeing petroglyphs left behind by the Ancient Ones.

Overnight: **Simple Cabins**
Single Room Available

 **Included Meals:** Breakfast

DAY 13 Hiking in Arches National Park

Today we visit the extraordinary Arches National Park, where more than 1,600 natural arches have been sculpted over the years by wind, sun, frost and rain, creating a strange rockscape in the desert. Soft Entrada Sandstone – a 91m layer of rock deposited as sand during the Jurassic Period – has been eroded into twisted spires, fins and arches which are particularly beautiful in the morning and afternoon when they take on a fiery glow in the low light. The famous Delicate Arch has become Utah's symbol and seems to defy gravity as the large precariously-balanced boulders hover near the edge of a cliff.

Overnight: **Simple Cabins**
Single Room Available

 **Included Meals:** Breakfast, Lunch

DAY 14 Drive back to Salt Lake City

We return to Salt Lake City, Utah's capital, with time to take a stroll around the centre. Founded by a group of believers of the Church of the Latter Day Saints (Mormons) in 1847, the city is now their international headquarters and some of the finest buildings are ecclesiastical. The setting, below the Wasatch mountains and beside the great salt lake, is superb and makes this a pleasant city to explore on foot.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 15 Tour ends Salt Lake City

The tour ends in Salt Lake City this morning after breakfast.

 **Included Meals:** Breakfast

Tipping - Local Crew

In North America tipping is a recognised part of life across the service industry, including restaurants, activity suppliers, taxis and guides. Local staff will look to members of the group for personal recognition of particular services provided.

To assist with this the Tour Leader may organise a group tips kitty for included activities and meals, they will then account for kitty use throughout the tour. For this we suggest US\$ 40.

For all non-included services and meals on your North American trip, we recommend tipping at around 15%.

Climate

USA

There are great variations in the altitude and terrain of the areas visited and this is reflected in the temperatures. Desert areas can be extremely hot in the summer months (49°), though temperatures can drop dramatically at night. The mountains are cooler and wetter especially in the north of the Rockies. At the beginning and end of the season there may still be some snow around in the high passes and it can be cold, whereas in mid-summer the day time temperatures can soar.

Clothing

Pack layers! Please note that temperatures in this area can be high during summer - sometimes over 40°C. Please bear this in mind when packing for your trip. Dress is informal. A warm fleece or sweater is essential for cooler nights in the desert or at higher altitudes. Include a long sleeved shirt, warm trousers, a lightweight waterproof jacket, swimwear, sunglasses and a sun hat.

Equipment

Bring a water bottle (3 litre capacity), high factor sunblock, plastic bags to keep things dry, a (head) torch and a towel. Please also bring a 2 or 3-season (temperature -5°C to 0°C) sleeping bag (a sleeping sheet is useful). A thermal ground pad is provided. You may

find a walking pole useful. Please note: Sleeping bags can be purchased from a store for as low as US \$50. Please ask your Tour Leader on arrival.

Footwear

Lightweight walking/hiking boots with good ankle support, trainers and/or sandals for travelling.

Luggage: On Tour

Bring only the bare essentials - one main bag plus a small daypack for walking and for personal items. Main luggage cannot be accessed during the day. Soft luggage is more practical than a hard shell suitcase. Bring plastic bags to keep things dry. Please only pack what you can carry.

Laundry facilities are available at various points during the trip.

Luggage allowance on trip: 20kg

Transport

This tour utilises maxi-wagons which can carry up to 14 people plus a driver. Space inside is limited so we try to rotate seating positions regularly and carry a maximum of 13 passengers. Luggage and equipment are generally carried on the roof or in a trailer, so don't bring too much.
