Botswana Wildlife Safari

Nearly a fifth of Botswana's landscape is designated for wildlife protection: we enter Chobe National Park and Moremi Game Reserve to track Africa's greatest animals in their natural habitat. We also stay on a houseboat on the Okavango Delta, a huge freshwater oasis in the Kalahari desert, and visit the raging Smoke that Thunders - Victoria Falls.

Why Book this trip

This is a great tour for wildlife enthusiasts, as you will visit some of the best game viewing parks in all of Africa. You will stay in lodges, hotel, houseboat and campsites; this means you get a great diverse experience of Botswana. Our campsites enable us to explore Moremi and Savuti in depth, an opportunity that is normally restricted to luxury itineraries due to the demand for the Okavango Delta.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Simple

No-frills accommodation which includes berths on sleeper trains, rooms in village houses, boat cabins, campsites, huts and simple family-run lodges, guesthouses and hotels. Sleeping arrangements are simple and amenities are adequate, sometimes with en suite facilities and occasionally communal.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Tour Pace: Full On

These fast paced tours move on quickly from place to place and with lots of early starts and long busy days, they're packed with experiences.

Your Tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Join trip in Maun

Our tour starts in Maun, the gateway to the Okavango Delta. After checking in to our hotel, your afternoon is free to relax. You may choose to take a stroll around the town, where modern buildings and native huts stand side-by-side. Originally a rural village, it has rapidly developed into Botswana's 'tourism capital'. However, the town has managed to retain much of its rural atmosphere and you may well see tribesmen bringing their cattle to sell at the market.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** None

DAY 2 Drive to Okavango PanHandle houseboat

An early start this morning for our drive to the west side of the Okavango Delta Panhandle, where we will meet the houseboat which will be our home for the next three nights. Our on board accommodation is very comfortable, with en suite facilities. Due to seasonal variations in the level and strength of the river, the houseboat itself remains securely moored for much of the year, whilst we explore the river on smaller launches. However, the amount of water that falls in the catchment area can be highly variable and occasionally, conditions may allow the houseboat itself to cruise in the Delta. The next couple of days are spent enjoying this spectacular setting. During our time on the river, there is a good possibility of seeing a variety of game. On our launch, we may cruise past submerging pods of hippos, while crocodiles bask in the shallows and on the riverbanks. Please note we unfortunately cannot provide single cabins on the houseboat due to the limited size of the accommodation. Customers who have booked a single room on this tour will share a twin cabin during these 3 nights.

Overnight: **Standard Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 3 Optional boat trips to search for the plentiful wildlife; sundowners

During our second day aboard the houseboat, our itinerary is flexible. A typical day involves one or two trips out on the launch to take in the wildlife and visit the surrounding area. Back on board, there are plenty of opportunities for bird watching. Local fishermen are often seen aboard their traditional dugout canoes, known locally as Mokoros. The golden light of late afternoon can also be enjoyed with a traditional sundowner in the houseboat's bar. As a day at leisure you can choose how much or how little you do today. Please note we unfortunately cannot provide single cabins on the houseboat due to the limited size of the accommodation. Customers who have booked a single room on this tour will share a twin cabin during these 3 nights.

Overnight: **Standard Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 4 Visit to Tsodilo Hills; home to thousands of bushman rock paintings

Today, we plan to enjoy an excursion to the intriguing and sacred World Heritage Site of the Tsodilo Hills. The San Bushmen believe that this was the site of the first creation and painted an astonishing 4000 rock paintings to celebrate this, across 350 sites. Here, four impressive rocks jut out of the expanse of the surrounding land. The San Bushmen believe that the largest of the rocks is the 'man', the second largest the 'woman', and the smallest the 'child'. The fourth rock, which stands apart from the others, is said to be the male's first wife. After exploring this fascinating site, we will return to our houseboat for our second night on board. Please note we unfortunately cannot provide single cabins on the houseboat due to the limited size of the accommodation. Customers who have booked a single room on this tour will share a twin cabin during these 3 nights.

Overnight: **Standard Boat**

 **Included Meals:** Breakfast, Lunch, Dinner

DAY 5 Drive through Namibia's Caprivi Strip to Livingstone

An early start this morning sees us heading north to Namibia's Caprivi Strip, before heading to Livingstone in Zambia. Today's drive by four-wheel drive vehicle will take most of the day, but is broken up with plenty of stops. The Caprivi Region has a colourful and interesting history, playing a central part in the Berlin Conference of 1890. Once administered by the British, it was swapped for Zanzibar with the Germans at a time of great European political manoeuvring. The strip of land was named after German Chancellor General Count Georg Leo von Caprivi di Caprara di Montecuccoli. Try saying that after a beer. In Livingstone, our lodge accommodation overlooks the Zambezi River and will be our base for the next two nights.

Overnight: **Standard Lodge**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast, Lunch

DAY 6 Tour of Victoria Falls, free time in the afternoon

Often referred to as the adventure capital of Zambia, Livingstone is a pleasant town, offering a variety of land, air and water-based activities in the surrounding area. A short drive will take us to one of the natural wonders of the world - Victoria Falls. We plan to view the falls from the Zambian side of the river. Here, the Zambezi River plummets over a sheer cliff wall spanning more than 1676 meters, dropping approximately 100 metres into the abyss below. Like David Livingstone before us, you are likely to become aware of the awesome cataract long before seeing it. Plumes of water vapour rise like smoke into the sky, accompanied by a deafening

roar. It's no wonder that the natives named the waterfall, Mosi-oo-Tunya, meaning 'the smoke that thunders'. This afternoon, you may choose to take an optional half-day game drive in the Mosi-oo-Tunya National Park in search of white rhino. You may also like to take advantage of one of the other many optional activities on offer, such as a scenic flight over the falls or white water rafting.

We have the rest of the day to explore the northern Chobe area of Serondela, which sits along the banks of the Chobe River - one of the Zambezi's main tributaries. Here, we are in the heart of elephant country - up to 35,000 elephants live within the park, the largest number of any African park. This afternoon we will head out on our first game drive. Our camping accommodation tonight allows us to fully appreciate our setting. Our campsites for the next seven nights are booked and paid for two years in advance to ensure that we get the best positions in some truly spectacular spots.

DAY 10 Drive to Moremi Game Reserve

Leaving our Savuti camp, we continue over dirt roads into Moremi Game Reserve - one of Botswana's most diverse reserves in terms of scenery and wildlife. Tucked into the north-eastern section of the Okavango Delta, Moremi is thought to be the country's most beautiful gameland, and is rated as one of Africa's greatest wildlife sanctuaries. It covers an enormous wilderness area composed of permanent swamps, islands, forest and dry land - an ornithologist's paradise. More birdlife and larger mammals may be spotted on the flood plain, including elephant, giraffe, zebra and ostrich, as well as predators like lion, leopard and wild dog. Over the next four days, we will immerse ourselves in this incredible setting in two different parts of the park. Our first two nights are spent in the northern Khwai River area.

The mighty Okavango is the third largest river in southern Africa. Its delta area covers 16,000 square kilometres of crystal clear channels, a myriad of ephemeral lakes and ever changing islands, surviving atop the Kalahari Desert. The river flows south east from the Angolan highlands, over 1000 kilometres away, taking up to six months to reach the delta area which floods on a perennial annual cycle. Remaining in the Moremi Game Reserve, today we drive into the Delta to our camp at Xakanaxa, where we will spend the next two nights. Exceptional though the geography of the Delta may be, it is the amazing wildlife of the waterways that draws us and we plan to set out game viewing on our arrival.

Accommodation and Meals

Accommodation Notes

This tour uses a great mix of accommodation, affording us a real flavour of one of Africa's most beautiful countries. We start and end our trip in a comfortable, mid-range hotel in Maun. On the Okavango Panhandle we spend three nights on a houseboat - the boat has a lower deck with en-suite cabins and upper deck with a bar/dining area and an open seating area at the rear. In Livingstone we stay in bungalows on the banks of the Zambezi. In the Okavango Delta and game reserves of Botswana we enjoy the experience of camping under the African sky. Our campsites are simple enough to give the feeling of really camping out in the African bush, yet with the comforts of a proper toilet, bucket shower and even camp cots for our two man tents. Mattresses, fitted sheets, sleeping bags, pillows and blankets are also provided. Camp assistants take care of all camp chores so no participation is required.

Preparing for your Trip

Climate

Botswana

Botswana's regional characteristics, from fertile areas in the east to waterless desert in the centre and south, and a vast delta in the north-west, make for extremes of temperatures and highly variable rainfall. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>. Seasonal weather patterns can be unpredictable. Up-to-date information on the weather worldwide can be found by following the BBC weather link on this page.

Namibia

With a staggering 300 days of sunshine each year, Namibia is a year-round destination, although some may prefer to avoid the heat of high summer. The cold Benguela current keeps the Atlantic coast of the Namib Desert cool and rain-free for most of the year, with a thick coastal fog that lends a mysterious edge to the area. January and February are the hottest months, when daytime temperatures in the heart of the Namib can exceed 40°C (104°F), but nights are usually cool. Winter nights can be fairly cold, but days are generally warm and pleasant.

Zambia

The main rainy season is from January to March. Rain is widespread and generally falls in the form of a thunderstorm in the late afternoon; grass tends to be long and there is more water about so game is more dispersed. Otherwise it is dry, with low humidity for most of the year. Temperatures reach around 29°C during the day with quite cold nights throughout the year. Early dry season is the most pleasant time for temperatures and the best for bird watching. For game viewing though the late dry season is better. Additional information and climate charts can be accessed at <http://www.explore.co.uk/weather>. Seasonal weather patterns can be unpredictable. Up-to-date information on the weather worldwide can be found by following the BBC weather link on this page.

Clothing

Clothing should be lightweight. However, a wind/waterproof jacket, a warm fleece or sweater and thermal underwear for night time are strongly advised, as nights, early morning game drives and longer journeys can be very cold, especially in winter (April to August). We suggest that during the winter months you take a number of layers to combat the cold which can then be removed as the day warms up. Brightly coloured and white clothing is not suitable for game viewing. You may like to bring a swimming costume for the hotels with pools.

Equipment

Dome tents are provided which sleep a maximum of two people. Camp cots with mattresses, fitted sheets, sleeping bags, pillows and blankets are also provided. Tents are erected by our crew.

Please bring a towel with you and also a water bottle, (head) torch and larger torch for toilet visits at night whilst camping, sunhat, sunglasses, insect repellent and sunscreen. Binoculars are essential for game viewing and a 300mm lens is recommended for photography. Tents have sewn-in mosquito screening so nets are not required.

Camera batteries can be charged in Maun and Livingstone, whilst there is also a charging facility on our safari vehicle. We do however recommend that you bring spare batteries.

Footwear

Lightweight trail boots or robust trainers with good traction soles and sandals.

Luggage: On Tour

The limit is one barrel bag/holdall/internal frame backpack (suitcases are not permitted) per person and a reasonable amount of photographic equipment. A day bag is essential for everyday use.

Luggage allowance on trip: 15Kg

Cool Earth

Explore are proud to support Cool Earth in their effort to reduce global carbon dioxide levels through the prevention of deforestation in the South America rainforest. Cool Earth focus on areas in immediate danger of deforestation, supporting local communities to be forest guardians. To date 350,000 acres of rainforest has been protected. Saving rainforest also protects rare animals and plants, allows local forest communities to maintain their way of life, and protects a major source of oxygen and fresh water. When you travel on an Explore holiday we make a donation to Cool Earth that exceeds the impact of our customers flights each year.

Earth Matters

We are passionate about sustainable travel and work hard to create tours where your holiday delivers real benefits to the local communities. We minimise our impact by travelling in small groups, respecting local cultures, reducing waste and offsetting 100% of the CO2 from our flights.

When you travel with Explore, you are directly contributing to local economies and helping empower the people you meet. We currently support a range of charities and good causes, including: Toilet Twinning (helping to flush away poverty), Lone Buffalo Foundation (a community project based in Laos providing creative skills for young people) and have recently supported women's cooperatives in Borneo and Morocco. We are a member of Tourism Concern's Ethical Tour Operator Group (www.tourismconcern.org.uk) and support their campaign for fair and ethical tourism. We also care passionately about the world's wildlife and actively support and promote the Born Free Organisation and Mahouts Elephant Foundation.
