Cycle Cuba!

Cycle with us through Cuba as we tour the colonial capital of Havana, explore tropical forests and pedal past the striking limestone landscape of Viñales. In Viñales and historic Trinidad we go local and stay in privately run Casas Particulares. We also ride through the forests of Topes de Collantes Nature Reserve and along the Caribbean coast to Trinidad, stopping to swim in tropical pools and see the infamous Bay of Pigs.

Now is undoubtedly a fantastic time to visit Cuba to see and experience the island. Visiting Cuba is like stepping back in time as little has changed over the past 50 years. To fully enjoy the Cuban experience you should travel with a willingness to expect the unexpected and, above all, an adventurous spirit. In our opinion go now and experience this unique destination before it changes.

Why Book this trip

Unlike many other operators, we include the hire of your bike in the overall cost of the holiday: you don't need to bring your own or pay extra to hire one locally. We also provide a support vehicle, spare parts and take care of day to day bike maintenance. All you need bring is your own helmet.

Cycling Information

On this tour we cycle 277 km over eight days (an average of 35 km per day) with further optional rides available. The terrain is mainly on flat, tarmac roads, although the surface can be in poor condition in places. There are some uphill sections particularly in the Viñales and Soroa area. A support vehicle accompanies the rides throughout the tour except where not possible on days 3, 6, 10 and 13. Road conditions are ideal as Cuba has little traffic, particularly on days 3, 4, 5, 6 and 7 when we ride on quieter backroads. We have graded the route as moderate.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Simple

No-frills accommodation which includes berths on sleeper trains, rooms in village houses, boat cabins, campsites, huts and simple family-run lodges, guesthouses and hotels. Sleeping arrangements are simple and amenities are adequate, sometimes with en suite facilities and occasionally communal.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Cycling Grade: Moderate

Medium length rides are suitable for cyclists who are used to undulating routes with occasional energetic climbs. You'll be cycling mainly on trails and quiet roads and you should have a reasonable level of fitness.

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Join tour Havana

Our tour begins in Havana. Built around a deep natural harbour, Havana is one of the most impressive colonial cities surviving in the Americas today. Crumbling tenement buildings and 50s style American Cadillacs rub shoulders with white marble grandeur and the still audible echoes of the Cuban Revolution. The largest city in the Caribbean and Cuba's political and cultural heart, it is the perfect place to start our journey. In Havana we stay in 'casas particulares' - family-run guesthouses. On arrival to the main joining point casa in the old centre of Havana (as detailed in your joining instructions) you will be met by your host and shown to your room in one of the local guesthouses in the surrounding area.

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** None

DAY 2 Visit Old Havana; drive to Soroa

Havana boasts a sheer abundance of great buildings that reflect its importance centuries ago when all the Spanish galleons passed through with their freight of gold and silver, brought in from colonies in the Americas. During a relaxed walk through the old town we will take in the most important sites and buildings. After lunch we head off by bus to Soroa, nestling in the forested hills about an hour west of Havana. After checking in there may be time to stretch our legs on a walk, perhaps up to the top of a hill with views over the surrounding mountains and towards the sea.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 3 Cycle through tropical forests to Las Terrazas

Today we take our first bike ride with an excursion into the surrounding hills. The cycling is very rewarding - through almost tropical forests with plenty of flowers and interesting plants along the way - eventually leading us to the enchanting settlement of Las Terrazas, perched on the edge of a lake and the UNESCO biosphere reserve of Sierra de Rosario. This is an internationally acclaimed reforestation project and model '70s communist settlement, set in the mountains at altitudes of around 500 metres where pine forests alternate with old coffee plantations. There is the chance for a swim in a natural pool in the San Juan river before we have lunch. You have the chance to try Cuba's most original, community-run vegetarian restaurant. Afterwards we head back to our hotel in Soroa by bus. Keen cyclists can do a few more miles if they wish. The support bus can only accompany short sections at the beginning and end of today's cycle route due to road conditions. Our total cycling distance today is approximately 21 kilometres (300 metres ascent)

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 4 Cycle to the Cuban spa town of San Diego de los Baños

Early this morning there is a chance to visit the splendid Soroa orchid garden. We start cycling downhill out of the Sierra, using smaller roads and a quieter section of Cuba's Carretera Central. We will cycle through picturesque countryside with rolling hills, palm trees and farmhouses in small hamlets, eventually arriving in the Cuban spa town of San Diego de los Baños. The surrounding virgin countryside and forests are fabulous. Our total cycling distance today is approximately 58 kilometres (100 metres ascent)

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 5 Ride past banana and coffee plantations to Vinales

We continue cycling along Cuba's dramatic western mountain range, passing banana and coffee plantations and tobacco fields in one of the most remote rural areas of this trip. We will stop at the Cueva de los Portales - a famous site in the jungle where Che Guevara set up headquarters during the Cuban Missile crisis in 1962. Soon we will see the first views the Viñales Valley - one of Cuba's natural highlights and an area of outstanding beauty. The area is home to some of the most spectacular and colourful scenery in Cuba. Millions of years ago underground rivers cut tunnels through the limestone hills and when the roofs collapsed, strange hills or 'Mogotes' were left sticking up from the otherwise flat valley floor. In between the jungle-clad saw tooth karst mountains the rich, red soil has been worked into a patchwork of fields growing some of the best tobacco in the world - the raw material for the famous Havana cigars. Our total cycling distance today is approximately 43 to 58 kilometres (100/400 metres ascent)

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 6 Orientation tour of the Vinales Valley

We spend two entire days in this strikingly beautiful area. Today we will start the day with an orientation tour of the Vinales Valley by bike, exploring the valley in depth as well as taking some time to stroll through Vinales itself - a small laid back town with a charming main street built in neo classical style, leaving the afternoon free to explore the area further. Those interested can visit the limestone cave 'Cueva del Indio' and the Botanical Gardens in Vinales. The support bus does not accompany the ride today but is on call in case needed. Our total cycling distance today is approximately 25 kilometres

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 7 Free day to relax or explore the island of Cayo Levisa

Today is left free for taking it easy or perhaps by booking an excursion to Cayo Levisa, an island near Vinales just off the north coast with lovely beaches. Alternatively you may wish to take the bikes for some further exploration of the area. Our total cycling distance today is approximately 20 - 45 kilometres (optional)

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast, Dinner

DAY 8 Drive to Cienfuegos via Bay of Pigs

We commence the day with a bus ride (approx. 5hrs) across western Cuba to the Bay of Pigs - infamous for the ill-fated invasion attempt by Cuban exiles who landed here in April 1961 with the help of the US government. The result is well known and successful Cuban resistance, together with the missile crisis a year later, led the Americans to conclude that only a total trade embargo against the island could hope to discredit and ultimately oust Castro. Castro's Cuba keeps on resisting, however. We will visit Cueva de Los Peces for a quick swim in this sinkhole or cenote that is connected to the warm Caribbean waters and has resident tropical fish. We continue by bus to the elegant town of Cienfuegos which was founded in 1819 by French farmers who had abandoned their plantations in Haiti after a slave rebellion led to formal independence there. The French brought their classical construction style of houses and quite an entrepreneurial spirit, thus triggering the sugar boom in the area. After a short visit we continue by bus for 15 minutes to our hotel on the outskirts of town in Cienfuegos playa. No cycling today.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 9 Cycle to Trinidad via Yaguanabo beach

We start our day with a quick exploration of Cienfuegos before driving for about 1 hour to Guajimico where we commence today's cycling with the backdrop of the Sierra Escambray Mountains getting ever more impressive as we get closer to Trinidad. We will have a chance to stop en route for a swim in the Caribbean at Yaguanabo beach before continuing by bike to Trinidad. The town became incredibly wealthy in the 18th and 19th century and almost all the palaces and stately homes of the rich families remain, their grandeur undiminished by time and the cobbled stone streets add extra charm to this colonial gem. In the evening we should go out in town to sample the great live music to be found everywhere in Trinidad. One of the best spots is the Casa de la Trova where they play 'Trova' (Cuban Folk Music) and 'Son', the essence of Salsa. Those with some basic knowledge in Latin dancing or at least the

willingness to try it will be most welcomed. On arrival we will have a short orientation walk in town exploring the central square and surroundings. In Trinidad we enjoy local hospitality for three nights as we stay in Casas Particulares - Private houses. Our total cycling distance today is approximately 41 kilometres (250 metres ascent)

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 10 Visit the sugar cane valley and old sugar mills by bike

We have two full days to explore this wonderful town and its surroundings. Today we take a ride into the very scenic Valle de Ingenios (sugar cane valley) towards Santi Spiritus where we can see the old sugar mills. The support bus does not accompany the ride today but is on call in case needed. This afternoon we will visit the colonial heart of Trinidad on foot and hopefully have the opportunity to hear some live music. Our total cycling distance today is approximately 37 kilometres (230 metres ascent)

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 11 Free day for a boat trip, snorkelling and relaxation

Today is left free to take a very rewarding Catamaran trip to the small island of Cayo Las Iguanas - where you can snorkel on the reef and enjoy a seafood lunch on the island. Alternatively you can relax on the beaches south of Trinidad.

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 12 Scenic downhill ride from Topes de Collantes; bus to Santa Clara

Just a few miles behind Trinidad looms the Sierra Escambray, one of the three main mountain systems in Cuba. It has peaks up to 1100 metres, an incredible abundance of tropical and semi-tropical vegetation on its slopes, and some of the best Cuban coffee is also produced here. Climbing up into the Sierra on the road from Trinidad is an experience, with slopes as steep as 20% (don't worry, we do this by bus!). Those wishing to do the toughest cycling challenge to be found in Cuba may want to try by leaving at the early hours of the day and being picked up by the group later. We start cycling on the highest sections of the road, near Topes de Collantes, a village and mountain retreat built in the early 1950s. From here it is one of the most scenic downhills through the jungle to be found anywhere in Cuba. Before leaving the mountains we can stop at a local coffee farmer's home to enjoying a meal and see the process of coffee tasting and of course we will try it as well! Then heading north, passing through the village of Jibacoa we finally reach the provincial town Manicaragua where we finish the cycling for today. We will take a short bus transfer to the hotel in Santa Clara. This town is one of the most important of the Cuban revolution, as it was here that Che Guevara won the decisive battle in December 1958 which led to the fall of Havana a few days later. Our total cycling distance today is approximately 35 kilometres (350 metres ascent)

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 13 Drive to Havana via Yumuri valley

The town of Santa Clara is less visited by tourism and therefore has the authentic feel of a busy Cuban provincial town. Its most remarkable site is the Che Guevara monument and mausoleum which we will visit together with a museum dedicated to the life of this hero of the Cuban revolution. We continue by bus to Matanzas where we get back onto the bikes for an afternoon ride into the Yumuri Valley, surprisingly still unknown to most western visitors. Abundant vegetation, palm trees, crops and plenty of birds are to be enjoyed while cycling through our last stretch of rural Cuba. Once on the coastal road we continue to the stunning Bacunayagua canyon with a great viewpoint and allegedly the best Pina Colada served anywhere in Cuba. The support bus can only accompany short sections at the beginning and end of today's cycle route due to road conditions. Later we continue by bus on to Havana. Our total cycling distance today is approximately 17 kilometres (150 metres ascent)

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 14 Explore Havana on foot or by bike

Today is left free to explore Havana however you may wish to take an optional cycle to explore the capital. In spite of growing traffic this is still a wonderful way of getting to know different parts of town. Our total cycling distance today is approximately 23 kilometres (100 metres ascent) (optional)

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 15 Tour ends Havana

The day is free for more exploration and perhaps shopping in Havana.

 **Included Meals:** Breakfast

Accommodation and Meals

Accommodation Notes

Accommodation and service levels in Cuba have improved in recent years but there is an ongoing trade embargo and lack of investment in infrastructure. Accommodation can be basic, particularly in some rural areas, occasionally with unreliable water and electricity supply. Service levels in government hotels, shops and restaurants are generally poor as this is not a service-oriented western culture. Of course, this is all part of seeing the 'real Cuba' and while we think you'll be pleasantly surprised by most of the hotels we use, you should be prepared for simply furnished rooms, some out-dated furniture and varying levels of service. Most of the hotels do have air conditioning and en-suite facilities.

Casas particulares - This is a Spanish term meaning private accommodation or homestay in Cuba. Staying in a casa offers the visitor a unique opportunity to experience Cuban hospitality in local accommodation adapted for tourism. The number of rooms, quality, facilities and access to other areas of the house such as the living room varies massively but as a general rule the majority of Casas are clean, basic, centrally located and can host only a handful of guests. Casas are generally run by the owner and members of the family that live there and the standard of English spoken will vary from zero to fluent, which is a good opportunity for you to practice your Spanish. Virtually all of the rooms have private facilities but on rare occasions it may be necessary to share. Your Explore Leader will coordinate accommodation arrangements on tour.

Food & Drink

Included meals: 14 breakfasts, 0 lunches, 1 dinner included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

Food

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Dinner £: 12.00-15.00

Drink

The prices for drinks can vary greatly depending upon location and the prices detailed below are an average guide. In general you would expect that drinks purchased in a supermarket or local bar to be less expensive, whilst drinks in an upmarket bar or restaurant may be more expensive.

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour. Accordingly, you should allow 50 Convertible Peso (CUC) for group tipping.

Preparing for your Trip

DAILY DISTANCES

Bike Details

Your included bike will be a 24 or 27 gear Conor Avenue, Stevens Galant SX or Radon TCS hybrid with front suspension and will be the correct frame size for your height. Female and male frames are allocated accordingly when booking unless you specifically request otherwise. A pannier and water bottle holder are included as well as the facility to fit your own pedals or saddle if you wish to bring them. A support vehicle accompanies the rides throughout the tour. We provide spare parts and take care of the day to day maintenance. All you need to bring is your own helmet.

Climate

Cuba

The dry season is from November to April. Average temperatures are 22-26C. Though the sky is often cloudless during the dry season, cold wet snaps do come in from North America especially in Dec and Jan, when the temperatures can drop to as low as 5C at night. From May to October there are normally fine mornings and clear evenings, afternoon rains tend to be short & heavy. Temperatures are hot and humid.

Clothing

Pack for warm and hot conditions. Bring cycling gear such as padded shorts, cycle gloves and quick drying cycle shirts. Remember weather is changeable in the mountains and it can be cool and wet in the high altitude of the Sierra Escambray or even on some evenings in Havana, so bring some warmer clothing too. Wet weather gear is essential at all times in case of rain. Don't forget your swimming costume.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling. Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage: On Tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike.

Luggage allowance on trip: 20kg

We are passionate about sustainable travel and work hard to create tours where your holiday delivers real benefits to the local communities. We minimise our impact by travelling in small groups, respecting local cultures, reducing waste and offsetting 100% of the CO2 from our flights.

When you travel with Explore, you are directly contributing to local economies and helping empower the people you meet. We currently support a range of charities and good causes, including: Toilet Twinning (helping to flush away poverty), Lone Buffalo Foundation (a community project based in Laos providing creative skills for young people) and have recently supported women's cooperatives in Borneo and Morocco. We are a member of Tourism Concern's Ethical Tour Operator Group (www.tourismconcern.org.uk) and support their campaign for fair and ethical tourism. We also care passionately about the world's wildlife and actively support and promote the Born Free Organisation and Mahouts Elephant Foundation.
