## Camino De Santiago

Following in the footsteps of countless pilgrims since the 9th Century, we follow the legendary route Camino Frances (French Way) to Santiago de Compostela - the resting place of Saint James, where we claim our pilgrims' certificate. We walk along the most scenic sections between Leon and Santiago: across the high plains of the Castilian Meseta and into the Galician mountains. We discover Gothic cathedrals, pass through medieval villages and climb to the Iron Cross (1482m) along the way. CDS\_2017\_Map

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Trek Grade: Moderate

For those who are fit and active, these moderate walks are normally on good paths and tracks at low altitude. Days may include some fairly demanding ascents and descents, so previous experience is preferable but not essential.

## Your trip itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

### Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced Tour Leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Tour Leader will also take care of all the planning and organization throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

### DAY 1 Tour starts at Madrid airport. Walking tour of Leon

Our trip starts at Terminal 1 at Madrid airport, from where we travel for approximately three hours by charter bus to Leon. Leon is a great city with a wonderful sense of history reflected in its architecture. It is also an important waypoint on the famous Camino de Santiago. After settling into our hotel we have a walking tour of this interesting city. The city's main attractions are its beautiful Gothic cathedral with its unique stained glass windows and the Romanesque San Isidoro church. However there is lots more to discover, including the picturesque old quarter and the brass scallop shells set in the pavement that mark the route of the Camino de Santiago through the city.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** None

## DAY 2 Walk from Hospital de Orbigo to Astorga

Today, after ensuring we have our Pilgrim Passports we drive to Hospital de Orbigo, famous for its 13th century bridge. We commence our trek from here, with a walk on the Meseta (the Castilian high plateau) to Astorga, home to the magnificent Bishop's Palace designed by Antoni Gaudi. Our first walk covers 16 kilometres over approximately four hours. The terrain is gently undulating with a total ascent and descent of +/- 200m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 3 Ascend to the Iron Cross (1482 m); descend to Molinaseca

We leave the high plateau of the Meseta behind us as we drive a short distance into the mountains to the near- abandoned village of Foncebadon. From here we walk, following the scallop shell markings, up to the famous Cruz de Ferro (Iron Cross), the highest point of the Camino at 1482m. This is one of the most significant points on the route, for centuries pilgrims have left a stone brought from home, an offering they hope will give them protection for the rest of the pilgrimage. From here we can see the mountains of Galicia in the distance. The rest of our day is spent gently descending and we finally arrive in the small village of Molinaseca with its impressive Roman bridge. Here we meet our bus and transfer the short distance to our hotel in Villafranca del Bierzo. Villafranca del Bierzo was once an important medieval town and is home to some spectacular churches, including the Romanesque Church of Santiago. Today our walk covers 19 kilometres over approximately five hours. We ascend to 1482 m then gently descend along mountain trails. The total ascent and descent is approximately +100m / -930m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 4 Walk to the pretty mountain village of O Cebreiro

After a short drive to the start of today's walk we continue along the Camino, following the course of the Valcarce River through the valley. This has been the route between Galicia and Castile since ancient times, passing through the small hamlets of Las Herrerias and Ruitelan to the border between Galicia and Leon. Here we come to one of the highlights of our walk, the unusual village of O Cebreiro, a tiny wind battered settlement of stone houses set high above a patchwork quilt of green valleys. The village is famous for its 'pallozas' - traditional circular, thatch-roofed houses. Once in O Cebreiro we have time to relax and explore the village before meeting our bus for the drive to Sarria. En route there is the option to visit Samos Monastery, still an active retreat, and a landmark of the Camino. Our walk is gently uphill almost all day today and far away from road access. We walk for nine kilometres over approximately three hours. The terrain is unmade mountain paths. The total ascent and descent is +750m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 5 Pass the famous 100 km landmark

From Sarria we continue on foot through Galicia, traversing a terrain of undulating hills in the most verdant of Spain's regions. Passing the hamlet of Ferreiros we reach the famous 100km landmark, for so long a magical moment for weary pilgrims. It is here that they can re-gather their strength, knowing that it was now only another three or four days to go to Santiago. Nowadays this waypoint marks the limit from where one has to walk continuously to Santiago in order to get the 'Compostela', the official pilgrim's certificate. This afternoon we reach Portomarin, once a splendid medieval village, which was relocated by Franco to make way for a reservoir. Remnants of the town's more prosperous days can still be seen amongst its narrow streets, such as the attractive Romanesque San Pedro church. Our walk today covers 22 kilometres over approximately five and a half hours. The terrain is mainly unmade paths through hilly countryside with a total ascent and descent of approximately +640 / - 680m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 6 Descend to Palas de Rei

Today we start by crossing part of the reservoir on a disused railway bridge. Then the trail continues gradually uphill, passing the 80km mark near Castromaior village. In the vicinity is Casa Carneiro, in medieval times a night stop for 'VIP' pilgrims such as Charles V the emperor who stayed here in 1520 on his way to his coronation, and King Philipp II a few years later on his way to marry Mary Tudor in England. We reach our last high pass (722m) just before Ligonde, and continue on through undulating hills, Eucalyptus trees and Cruceiros (the stone crosses typical of Galicia), to gently descend to our night stop at Palas de Rei, an important pilgrim town. Our walk covers 22 kilometres over approximately six hours. We ascend up to the pass (722 m) and then continuing on unmade paths through gently undulating hills. The total ascent and descent is approximately +410 / - 300m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 7 Hike through rural Galicia; cross the medieval bridge to Melide

Leaving the town behind, the Camino now takes us through idyllic rural Galicia, passing farmland and beautiful countryside. We walk through an oak grove to A Coruna, and cross a medieval bridge with four arches to reach Melide where we stop for the night. Today is a good day for trying some traditional Galician dishes, specifically the famous 'pulpo a la Gallega octopus' for which the village of Melide is renowned, and maybe some of the excellent local white wine from the Riberas Baixas near Pontevedra. Today our walk covers 14 kilometres over approximately three and a half hours. The terrain is rural paths through farmland and gently undulating hillsides, with a total ascent and descent of approximately +80/-200m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 8 Walk through local villages en route to Arzua

Today you will pass many 'horreos', typical barns of the region that dot this beautiful countryside. We will also start to see more signs that we are nearing Santiago, including many pilgrim villages. Crossing the River Iso we arrive to Arzua where the Camino Frances (French Way) that we have been following, and Camino del Norte (North Way or Camino Primitivo) meet, and where we spend the night. Arzua is also known in the region for its local soft cheese. Today our walk covers 14 kilometres and takes approximately three and a half hours. The terrain is rural paths and local village roads. The total ascent and descent is approximately +150/-250m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 9 Visit pilgrim sites

Santiago is getting closer! Today we pass many pilgrim sites including pilgrim Guillermo Watt's memorial; he died here whilst on the pilgrimage and his shoes can be found in the stone wall. We can also stop at Santa Irene chapel to see statues of Saint James. We arrive to the small village of Rua and our hotel along a country road. Our walk covers 18 kilometres over approximately four and a half hours. The terrain is unmade paths and country roads. The total ascent and descent is approximately +120 /-250m. \* Please note on some departures we will be staying in El Amenal rather than A Rua. For these departures today's walk will be 22 kilometres over approximately five and a half hours. The total ascent and descent will be approximately +120 / -250m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast, Dinner

## DAY 10 Arrive in Santiago de Compostela

Today we complete our pilgrimage. We pass through the village of Lavacolla, where traditionally pilgrims would wash and change into their best clothes for the final stretch of the walk. From here we ascend the final hill to Monte Gozo, from where we finally see Santiago Cathedral in the distance. We are now just five kilometres from Santiago's historic centre and the end of our pilgrimage. As we walk the last hour of the trail we share the emotions and sense of achievement of thousands of pilgrims, ancient and modern from all over the world, as we complete the trail and claim our 'Compostela', our pilgrim's certificate. Our last walk covers 21.5 kilometres over approximately six hours. The terrain is unmade paths and roads, with a total ascent and descent of approximately +180/-230m. \* Please note: If departing from El Amenal today's walk will be 17.5 kilometres over approximately five hours. The total ascent and descent will be approximately +180 / -230m.

Overnight: **Standard Hotel**  
**Single Room Available**

This morning we take a guided walking tour of Santiago including a visit to the magnificent cathedral, a stunning architectural landmark with Romanesque, Gothic and Baroque features. We also visit the important local squares, churches and buildings around the cathedral. The afternoon is free to wander the city's narrow streets discovering some of the city's other architectural treasures, and enjoy the local food and wine. It is also possible to take an optional excursion to Cape Finisterre.

 **Included Meals:** Breakfast

## DAY 12 Tour ends Santiago

Our tour ends today, after breakfast, in Santiago.

## Accommodation and Meals

### Accommodation Notes

Accommodation and service levels in Spain are generally very good. We try to use smaller, family-run hotels and pensions that might not offer the same luxuries as larger chain-style hotels, but they do provide a warm welcome, a comfortable place to stay and the chance to gain a better understanding of local life. One thing to be aware of in Spain is that breakfast tends to be a smaller affair, often just fruit juice or coffee and a pastry.

### Food & Drink

Included meals: 11 breakfasts, 0 lunches, 1 dinner included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

### Climate

#### Spain

Overall, spring, early summer and autumn are ideal times for a Spanish trip - though the weather varies enormously from region to region. The high central plains suffer from fierce extremes, stiflingly hot in summer, bitterly cold and swept by freezing winds in winter. The Atlantic coast, in contrast, has a tendency to damp and mist, and a relatively brief, humid summer. The Mediterranean south is warm virtually all year round. Spain's Islands the Canaries and Balaerics experience very mild winters and warm summers making them ideal year round destinations.

### Clothing

A warm sweater or fleece and long trousers are advisable for the evenings especially in early and late season when the weather tends to be cooler. A rain jacket is also recommended.

### Equipment

Bring a water bottle, torch, sunblock, sunhat, sunglasses and insect repellent. Gaiters and walking poles may be useful. You may also wish to bring binoculars.

### Footwear

A good pair of walking boots are essential, plus comfortable trainers/shoes or sandals for relaxing. We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your well broken in boots are the one thing that will be irreplaceable.

### Luggage: On Tour

Bring one main piece of baggage and a daypack for carrying personal items during our walking days. Total allowance: 20kg (subject to you flight luggage allowance) plus a 25-30 litres daypack. Main baggage will be transported between nightstops.

Luggage allowance on trip: 20kg
