## Backroads Of Kerala

On this cycling tour of southern India we travel into Kerala's rural backwaters. We ride inland through a landscape of spice, tea and rubber plantations. We also travel along the waterways in wooden canoes, walk through Periyar National Park in search of wildlife and relax on Indian Ocean beaches. Staying in family houses we also enjoy warm Keralan hospitality.

### Why Book this trip

Unlike many other operators, we include the hire of your bike in the overall cost of the holiday: you don't need to bring your own or pay extra to hire one locally. We also provide a support vehicle, spare parts and take care of day to day bike maintenance. All you need bring is your own helmet.

### Cycling Information

On this tour we cycle 273 km over ten days (an average of 27 km per day) with further optional rides available. We avoid main roads where possible and cycle mainly on tarmac back roads (90%) and some gravel paths (10%). A support vehicle accompanies the rides throughout the tour. We have graded the route as easy.

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Cycling Grade: Easy

Suitable for cyclists who enjoy easy and relatively short rides on flat or gently undulating terrain. Ideal if you simply want to explore a region by bike at a relaxed pace.

## Your trip itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

### Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

## DAY 1 Trip starts in Kovalam

Arriving in Kovalam today we check in to the hotel. We take this opportunity before our cycling adventure to relax and get a feel for the country. The beautiful beaches of Kovalam are a good place to enjoy a drink from the numerous cafes overlooking the sandy beach.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** None

## DAY 2 Morning cycle ride, afternoon free to relax on the Arabian coast

This morning we try out our bikes and make any necessary adjustments. We start with a short and relaxing introductory ride through some of the local fisherman's villages around Kovalam. In the afternoon you may like to explore the area at leisure; walk along the sandy beaches or take on the pounding surf of the Arabian Sea. In the evening you can sit in a beachside cafe, enjoying the vista of fishing boats sailing out for their evening catch with a backdrop of the setting sun. Kerala is particularly renowned for its herbal care, and you may choose to have an Ayurvedic massage. The science of rejuvenation and purification through natural remedies, the massage uses a range of oils and herbs to treat a number of ailments. There is the option to extend your ride today up to 35 kms passing through fishing villages and along a beautiful coastal road. Our total cycling distance today is approximately 12 kilometres (total ascent 205 metres and descent 175 metres).

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 3 Drive to Veli Lagoon; visit Anjengo Fort and cycle to Varkala

After breakfast we transfer by bus to Veli, from where we cycle 20 km to the estuary. The lagoon is a large lake separated from the ocean by the narrowest of sandbar spits, where fisherman can be seen working on their boats and nets, or poling across the lake with sand-filled barges. We visit the fishing village of Anjuthengu, where we stop to visit Anjengo Fort, built by the British East India Company in the 17th century and the first British trading post on the Malabar coast. After our visit we carry on towards Varkala, a temple town renowned throughout the region as a pilgrimage centre for the millions of Hindus who come here to worship at the ancient Janardhana Swamy Temple. Nowadays Varkala has grown into Kerala's most popular backpacker hangout with people attracted to the naturally beautiful clifftop setting and relaxed vibe. On arrival there should be time to relax on the beaches of the Arabian coast, wander amongst the palms and perhaps enjoy a stunning sunset before sitting down to a well-earned dinner in one of the local restaurants. Our total cycling distance today is approximately 37 kilometres (total ascent 308 metres and descent 285 metres).

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available** 

 **Included Meals:** Breakfast

## DAY 4 Cycle through traditional Keralan villages to Kollam

This morning's ride is alongside palm fringed shores and beautiful blue lagoons with the chance to spend a little time on Kollam beach. On the way we can see fisherman's village which was hit by the Tsunami a few years ago. Situated on the edge of the Ashtamundi Lake, Kollam is surrounded by coconut palms and cashew tree plantations, indeed the town is the centre of the cashew industry here. Its old wooden houses are typical of the Keralan style and its situation at the southern end of the backwaters makes it an ideal spot from which to explore the network of canals and lagoons. Our total cycling distance today is approximately 36 kilometres (total ascent 288 metres and descent 312 metres).

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 5 Boat trip along Backwaters; cycle to Mancombu

After a short drive on highway we get back on the bikes and the back roads, cycle further south along coastal roads shaded by palm trees for about 15kms. We cross the river by ferry that acts as a water taxi for the locals with their motorbikes or bicycles. Our ride continues for about 22km which completes today's cycling at the Manarasala Snake Temple, located close to the settlement of Thottapally. On the way, travelling through villages we may have the chance to see some traditional coir-making skills (the fibres from the outer husk of the coconut, which is used to make rope and mats), as well as fishing. After visiting the temple we board in bus again for a short drive to Thottapally where we leave our bus and have a traditional lunch cooked in a family run restaurant and served on a banana leaf. We then spend the afternoon on a relaxing exploration through the backwaters by motor launch that

leads us to our homestay. The journey should take around 3 hours and is the ideal way to explore these waterways, which cover an area of some 1900 square kilometres. The boats are the lifeline for the villages, acting as taxis, mail delivery and even the harvest is carried in boats. You may see great pyramids of coconuts or even the odd buffalo being carried along in this time honoured fashion. Our boat trips ends and we proceed to our accommodation, in the district of the ancient trading town of Alleppey. We stay tonight at traditional rural village homes set in lush countryside. Staying with a local family allows us to experience the typical lifestyle and cuisine of Kerala. Most houses have guest rooms within the main home, each with a private guest bathroom. A few homes have a separate guest annexe. The rooms are simply furnished, with twin or double beds. We stay tonight at traditional rural village homes set in lush countryside. Overnight: **Simple Homestay**

## DAY 6 Morning cycling through Backwaters' villages; sunset canoe trip

Today we spend the morning exploring our immediate surroundings. Cycling through the villages of these myriad backwaters we get plenty of opportunity to interact with the locals, visit churches and temples, before returning to take a sunset or moonlit cruise by canoe. Crafted out of Anjili wood, we take to the waters whilst locals sing traditional songs as they row. The industrious villagers survive on narrow spits of land, keeping cows, pigs, chickens and cultivating vegetable gardens. Even the shells from the fresh water mussels are burnt to make building lime, and coir is used for just about everything. The gardens are generally well tended often with brightly coloured flowers, such as hibiscus, that contrast sharply with the tropical greenery. Our total cycling distance today is approximately 35 kilometres (total ascent 227 metres and descent 227 metres).

Overnight: **Simple Homestay**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 7 Drive and cycle to Erattupetta; Planters Homestay

Leaving the beautiful backwaters behind we use a combination of engine and pedal power to reach today's destination; Erattupetta. This area is famous for its rubber plantations which date back to the early 19th century. The slightly cooler climate is a welcome change from the lower levels as we cycle along rolling hills in the shade of the rubber trees. We stay with a local family, at their homestay. Watch our host to cook up a traditional curry, walk through the gardens or take a swim in natural rock pools. Planters Homestay is a spacious and comfortable two storey family mansion house, built over 50 years ago. It has bright and airy guest rooms, all en-suite. Some, but not all rooms have air conditioning. The house is surrounded by lush gardens with rubber and tropical fruit trees plus palms and tall teaks and lots of bird life. Our total cycling distance today is approximately 33 kilometres (total ascent 628 metres and descent 636 metres).

Overnight: **Simple Homestay**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 8 Optional cycle rides available

This morning we take a stroll through a local plantation and have the chance to learn about the numerous fruits and medicinal plants. Depending on the season, we may bathe in rock pools before an optional visit to see Poonjar Palace, a 900 year old residency of the Maharajah and his family which is now mostly abandoned and can only be viewed from the outside. We can also visit the local town. Our total cycling distance today is approximately 9 kilometres (total ascent 152 metres and descent 258 metres). There is also the option to cycle 32km if you would like more of a challenge.

Overnight: **Simple Homestay**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 9 Drive and cycle to Thekkady; visit plantations and tea factory

Taking the meandering roads through the high ranges today we will drive some of the steeper sections of road, before transferring to two wheels to continue our journey to Thekkady. Our cycle route is through a region called Wagamon where the cooler climate helps you through the seemingly endless tea plantations and rolling hills. Our route takes us past many rubber plantations, and through varied spice gardens. Further on, we may have the opportunity to meet local tea pickers in the plantations to help get a feel for how people live in this beautiful region before arriving at our hotel. Please note the last 10km of today's ride is on a busy road. Thekkady is the spice hub of Kerala and the town has many spice shops. The beautiful aroma in the air lets you know why this region is called the cardamom hills. Today we will also make a visit to the Connemara Tea Factory. Our total cycling distance today is approximately 36 kilometres (total ascent 1176 metres and descent 1506 metres).

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 10 Forest walk, explore Thekkady - Periyar Wildlife Sanctuary

Periyar Wildlife Sanctuary in Thekkady is one of 16 Project Tiger Reserves in India, with about 40 tigers living in the 777 sq km park, but as they are solitary creatures, the chances of seeing them are very slim. This morning we take a forest walk in search of other wildlife such as the star tortoise, porcupine, elephants Indian Bison, flying squirrel and numerous birds. The park itself is made up of a variety of habitats; open grasslands, deciduous, semi-evergreen and tropical forest - all of which host different animal species. The ecosystem of the tropical evergreen jungle is very interesting - the trees grow up to 40m, and the dense canopy above allows in limited sunlight. At ground level, there are abundant ferns, orchids and airplants - plants that need little light to survive. No cycling today.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 11 Great cycle descent to Kuttikanam, drive to Kochi

This morning we have a very beautiful route to cycle, down the winding roads of Kuttikanam where you can enjoy a freewheel ride of nearly 20 kms. We continue our journey by bus (3 hours) to the bustling port of Kochi, with its beautiful natural harbor which earned it the title 'Queen of the Arabian Sea'. As well as being the oldest European settlement in India, with its mix of English, Dutch and Portuguese influences, Kochi is also home to the famous Kathakali dancers. Its origins came from traditional temple rituals and from an art form known as Koodiyattam. The dancers can take up to three hours painting their faces - the features are heavily emphasised as it is the facial expressions and co-ordinated eye movements which are important in the dance. The dances usually portray events from the Ramayana and Mahabharata, great Indian epics. Our total cycling distance today is approximately 30 kilometres (total ascent 540 metres and descent 1524 metres).

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 12 Tour of Kochi by cycle; evening boat cruise

Today we cycle through the old town of Fort Cochin. As you might expect Kochi was founded on trade, originally with the arrival of the Chinese, Arabs and Phoenicians in the second millennium BC. Its links to Europe strengthened in the 16th century, with the arrival of the Portuguese, closely followed by the Dutch and the English. This has produced an eclectic mix of styles and influences. You can find both the oldest European church and the oldest synagogue in India amongst its winding streets and elsewhere Chinese fishing nets vie for space alongside Portuguese houses and Dutch palaces. After spending the day touring the town we take a sunset cruise around the surrounding islands. Our total cycling distance today is approximately 8 kilometres.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 13 Tour ends Kochi

house is surrounded by lush gardens with rubber and tropical fruit trees plus palms and tall teaks and lots of bird life.

Please be advised that accommodation in India is as varied as the country itself. On our tours we stay in a mix of hotels, heritage properties and homestays. Standards do not equate to standards in the UK and it's best to approach each type of accommodation with an open mind. Service can be slow in places especially when travelling with a group. For the most part hotels do not have heating so in the winter months it can be chilly and if you feel the cold you may wish to ask for extra blankets. Hot water is not always available 24 hours a day in some of the smaller properties, and with a group staying you might find if you are showering last you may miss out on the hottest water.

### Other Sightseeing & Activities

The following excursions and/or activities are usually available and may be arranged locally. **Credit Card Acceptance:** Very rarely, only in the larger outlets.

**Travellers Cheques:** Opportunities to exchange are limited.

**Local Currency:** Indian Rupee Recently new 500, 1000 and 2000 rupee notes have been brought in to circulation and as the old notes are no longer accepted there have been some cash flow issues. You don't need to worry about being given old notes as it's very easy to tell the difference, the new notes are pristine in comparison with most Indian money which is fairly tatty.

**Recommended Currency for Exchange:** GBP/US\$ are the best currency to change into local currency.

**Where to Exchange:** The Indian rupee is a restricted currency and it is best not to obtain in the UK as rates are very poor. You can either change money at the airport on arrival or in major towns during the tour. Your Tour Leader will advise you on the best places in each town. Both GBP and USD cash are easy to exchange at the airport and at hotels however you will be restricted to changing £60 cash at a time and it's not possible to change money at these locations using a credit or debit card.

 Optional Rides

### Bike Details

Your included bike is either a 24 or 27 gear Trek 3700 mountain bike with front suspension or 3 Merida matts-20D and 40D and will be the correct frame size for your height. A 2.5 litre handlebar bag and water bottle holder are included as well as the facility to fit your own pedals or saddle if you wish to bring them. A support vehicle accompanies the rides throughout the tour. We provide spare parts and take care of the day to day maintenance. All you need to bring is your own helmet.

### Climate

#### India

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June- September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

### Clothing

Bear in mind that the area is tropical with high humidity. Lightweights are needed all year round with some warmer clothes (ie fleece and long trousers) for the cooler winter evenings (November to March) in Wagamon. When cycling: quick drying cycle tops, padded cycle shorts and cycling gloves are strongly recommended as they will protect you from sunburn and may also help protect your hands if you fall. Bring a swimming costume for the beaches. Whilst cycling in shorts is acceptable and expected, please note that for visits to temples and city sightseeing, tight fitting sleeveless t-shirts, brief or tight shorts and miniskirts should be avoided, since they attract unwelcome attention.

### Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

### Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike, particularly for walking in the National Park and around Wagamon.

---

## Luggage: On Tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike. Remember you are expected to carry your own luggage so don't overload yourself.

Luggage allowance on trip: 20kg

Each tour is uniquely different, so please feel free to browse through our tours to see what may whet your appetite.

### Cool Earth

Explore are proud to support Cool Earth in their effort to reduce global carbon dioxide levels through the prevention of deforestation in the South America rainforest. Cool Earth focus on areas in immediate danger of deforestation, supporting local communities to be forest guardians. To date 350,000 acres of rainforest has been protected. Saving rainforest also protects rare animals and plants, allows local forest communities to maintain their way of life, and protects a major source of oxygen and fresh water. When you travel on an Explore holiday we make a donation to Cool Earth that exceeds the impact of our customers flights each year.

### Earth Matters

We are passionate about sustainable travel and work hard to create tours where your holiday delivers real benefits to the local communities. We minimise our impact by travelling in small groups, respecting local cultures, reducing waste and offsetting 100% of the CO2 from our flights.

When you travel with Explore, you are directly contributing to local economies and helping empower the people you meet. We currently support a range of charities and good causes, including: Toilet Twinning (helping to flush away poverty), Lone Buffalo Foundation (a community project based in Laos providing creative skills for young people) and have recently supported women's cooperatives in Borneo and Morocco. We are a member of Tourism Concern's Ethical Tour Operator Group ([www.tourismconcern.org.uk](http://www.tourismconcern.org.uk)) and support their campaign for fair and ethical tourism. We also care passionately about the world's wildlife and actively support and promote the Born Free Organisation and Mahouts Elephant Foundation.
