The Best of Western Cuba

On this exciting introduction to Cuba, we explore the captivating capital of Havana and wander through the twisting alleyways of colonial Trinidad. Throughout the tour, we will be staying in Casas Particulares, a local term for homestay, which gives us a unique opportunity to experience local hospitality. Often full of history, family photos and memorabilia, these casas give us a deeper insight into Cuban life. Along the way, we absorb the country's lively culture by learning salsa dancing and how to make Cuban cocktails. We also discover Cuba's spectacular natural beauty, taking in its pristine beaches, unspoilt forests and the dramatic landscape of Vinales. Learning about Cuba's fascinating history, we visit Che Guevara's Mausoleum and the infamous Bay of Pigs. To fully enjoy the Cuban experience you should travel with a willingness to expect the unexpected and, above all, an adventurous spirit. In our opinion go now and experience this unique destination before it changes.

Now is undoubtedly a fantastic time to visit Cuba to see and experience the island. Visiting Cuba is like stepping back in time as little has changed over the past 50 years. However, the recent relaxation of US sanctions is making Cuba an ever more popular destination placing increasing demands on the local tourist infrastructure. To fully enjoy the Cuban experience you should travel with a willingness to expect the unexpected and, above all, an adventurous spirit. In our opinion go now and experience this unique destination before it changes.

Why Book this trip

This short tour covers most of Western Cuba's highlights and is designed for those who want to discover one of the most unique countries in the world. You will stay in locally-owned and run private homestays throughout. Staying with local families and experiencing the Cuban way of life will be a highlight of the tour. This tour also includes a salsa dancing class and a lesson on how to make Cuba's famous cocktails.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Your trip itinerary

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Join tour in Havana

We arrive in Havana and journey to our centrally located 'casa particular', or local guesthouse. On arrival to the main 'reception' casa in Havana (as detailed in the Joining Instructions), you will be met by the host and shown to your room in one of the other casas located nearby. Each casa can only accommodate a handful of guests, giving you a great opportunity to immerse yourself in the local culture. Havana is a fascinating city. In 'Old Havana' Spanish grand colonial buildings rub shoulders with those of glorious art deco style, as the ubiquitous old American cars and taxis cruise past. After years of neglect some of these magnificent buildings are being restored, and it is not hard to imagine back to Havana's glamorous heyday when it was a popular haunt of the rich and famous. One of the first to be restored was the impressive art deco style Bacardi Building. Today Havana has something for everyone including museums, shopping and street cafes. At night the city's legendary music and cocktails bars come into their own.

Included Meals: None

DAY 2 Tour of Havana's highlights, free afternoon

Today, we explore modern-day Havana, with its mixture of restored and crumbling architectural marvels. Walking through the Vieja (old) district, we will discover the baroque cathedral, beautiful neoclassical buildings and the Plaza de Armas (main square). On our travels, we will doubtless see many brightly-painted vintage cars - the result of legislation enforced until 2011 ruling that only cars built before the 1959 revolution could be sold. We may also notice the lack of advertising - nothing but political exhortations are allowed. Passing by the famous Capitolio building, modelled on the White House, we are likely to see kids playing the hugely popular game of baseball in its grounds. During your free afternoon, you may choose to visit the fascinating Museum of the Revolution, housed in the impressive former Presidential Palace. The City Museum is also worth a visit, exhibiting art and historical artefacts in rooms preserved with their original Colonial decoration. In the late afternoon, once the freshening cool breeze blows in from the Caribbean, you may be tempted to enjoy a lively sunset stroll along the Malecon. Alternatively, you may prefer to visit the famous cigar factory. Later this afternoon, we will enjoy a cocktail making class where we can learn to make some of Cuba's famous drinks including mojitos and pina colodas followed by a salsa dancing class where you can learn some basic steps. This evening, we have the option to sample some of the capital's famous nightlife. El Floridita is as celebrated for its daiquiris as it is for having been a favourite hangout for Ernest Hemingway. Likewise, the Hotel Ambos Mundos is another Hemingway landmark where the 1954 Nobel Prize winner and author of 'For Whom the Bell Tolls' lived for several years. Its roof terrace serves up exceptional mojitos - the traditional Cuban cocktail.

Overnight: **Simple Casas Particulares**
Single Room Available

Included Meals: Breakfast

DAY 3 Full day trip to the picturesque Vinales countryside

After travelling a couple of hours west, we reach what is arguably the most picturesque part of Cuba - the Vinales region. Here, surreal mountains jut out of the landscape, formed by the erosion of limestone over millions of years. These 'mogotes' translate as 'haystacks' - a good word for them considering their steep sides and rounded, jungly tops. Around them, the iron-rich, red soil creates a patchwork of fields growing some of the best tobacco in the world - the raw material for Cuba's celebrated cigars. Before our return to Havana for the night, we have the option of a two-hour trek through the valleys of this remarkable landscape to the village of El Palmarito. Mogotes tower above us as we pass through tobacco fields and past drying barns.

Overnight: **Simple Casas Particulares**
Single Room Available

Included Meals: Breakfast

DAY 4 Drive to Trinidad via the Bay of Pigs Museum

Today, we head east across Cuba, driving through giant citrus and sugar plantations and out on to the Zapata Peninsula. Our journey is broken up with a wonderful swimming opportunity in a 'cenote' (pool) where the ceiling of an underground river has collapsed. We plan to arrive in Playa Giron by mid-afternoon. Here we will visit the museum dedicated to the infamous 'Bay of Pigs' invasion - a US-supported attack by Cuban exiles which failed to overthrow the Communist regime in 1961. Our journey continues, past the wooded Escambray Mountains and hugging the coastline, with views over the sparkling turquoise waters of the Caribbean Sea. By early evening, we will arrive at our hotel just outside the beautiful Spanish colonial town of Trinidad - our base for the next three nights.

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 5 In Trinidad; tour of this pretty colonial town

This morning, we wander through the cobbled streets of the old centre of Trinidad, discovering its fine palaces, churches and cafes. A paradise for photographers, this UNESCO World Heritage Site is a perfectly preserved colonial settlement unlike any other. In the early 19th century, French settlers fleeing a slave revolt in Haiti, landed here and started to grow sugar cane in the Valle de Los Ingenios. This crop generated considerable wealth and consequently the town had to be regularly defended from pirates. Subject to opening hours, we will visit a local museum before some free time where you may wish to wander for longer through Trinidad's streets to soak up more of the unique atmosphere. This evening you can may wish to practice some of those new salsa steps at the open-air Casa de la Musica, just off the main square.

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 6 Free day; optional trip to Topes or boat trip to Cayo Las Iguanas

Today is free for you to enjoy more of Cuba's beautiful landscapes and fascinating culture at your own pace. You may wish to take the short train journey out to the Sugar Mills Valley to Manaca Iznaga where you will have the opportunity to visit the Hacienda of the Family Iznaga, one of the richest in Trinidad during Colonial Times. Another option is to head into the Escambray Mountains to the Topes de Collantes Nature Reserve Park. With its unspoilt forests and water-eroded valleys, this area is famous for its many endemic species of flora and fauna. There are several different options involving short walks through the coffee growing area and rainforest. Most trips will drive up to some incredible viewpoints and several of the options offer an opportunity of a refreshing swim in one of its waterfalls finished off with a traditional lunch in one of the local haciendas. Your leader will run through these different options with you. Alternatively, you may wish to visit the deserted island of Cayo Las Iguanas. Here you can eat fresh paella, relax on the beach and snorkel in the coral wilderness. Snorkelling equipment is not always available, so keen snorkelers might prefer to bring their own.

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 7 Return to Havana via Santa Clara

Today we bid farewell to Trinidad and make our way back to Havana, via Santa Clara. This pleasant university town was originally a prosperous agricultural area, well-placed on the island's trading route. Now, it is most famous as the site of the last battle of the Revolution, in which Che Guevara's troops took the city, causing the Cuban dictator, Batista, to flee into exile. After visiting the Tren Blindado Memorial commemorating this historic event, we move on to Che's Mausoleum. Guevara was buried here with full military honours in 1997 after his exhumed remains were discovered in Bolivia and returned to Cuba. A flame lit by Fidel Castro burns eternally to honour a national hero who played a key role in Cuba's revolution and whose image is routinely displayed throughout the country. We will also visit the museum dedicated to Guevara's life, containing many interesting letters and artefacts. This evening, we return to Havana to enjoy a final dinner and probably a dance.

Overnight: **Simple Casas Particulares**
Single Room Available

 **Included Meals:** Breakfast

DAY 8 Tour ends Havana

Our tour ends in Havana after breakfast.

Throughout this trip you will be staying in casas particulares - this is a Spanish term meaning private accommodation or homestay in Cuba. Staying in a casa offers the visitor a unique opportunity to experience Cuban hospitality in local accommodation adapted for tourism. The number of rooms, quality, facilities and access to other areas of the house such as the living room varies massively but as a general rule the majority of Casas are clean, basic, centrally located and can host only a handful of guests. Casas are generally run by the owner and members of the family that live there and the standard of English spoken will vary from zero to fluent, which is a good opportunity for you to practice your Spanish. They are often full of history, family photos and memorabilia, providing you with a deeper insight to Cuban life than a hotel stay. Virtually all of the rooms have private facilities but on rare occasions it may be necessary to share. Your Explore Leader will coordinate accommodation arrangements on tour.
