On this walking trip through Croatia's national parks, we explore the jagged mountain peaks of Dalmatia, the plunging gorges of Paklenica and admire the spectacular lakes and waterfalls of Plitvice. Along the way we also visit the pretty coastal cities of Split and Trogir, discovering a maze of cobbled streets, meandering alleyways and medieval architecture.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Tour Comfort: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Joining the tour today in the evening we meet with the group and the Tour Leader.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** None

DAY 2 City tour of Zagreb, drive to Plitvice National Park

Today we start our day with a city tour of Zagreb. Famously called a city of museums as there are more museums per square foot than any other city in the world it also has many other architectural structures to boast of. Later in the afternoon we drive down to the magnificent beauty of the Plitvice Lakes, a sumptuous setting of forested hills and beautifully clear lakes that are, with good reason, Croatia's premier tourist attraction. Travertine terraces cascade down through the lush landscapes, presenting the visitor with a series of plunging waterfalls and turquoise, calcium rich lakes that are one of Europe's natural marvels. Little wonder then that this remarkable park was awarded UNESCO World Heritage status in 1979.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 3 Walk around lakes and waterfalls of the national park

Today we plan to spend our time walking a track of which the second half provides us with far reaching views of the lakes, waterfalls and surrounding pine clad hillsides from a higher vantage point. Over the millennia, the waters of these lakes have dissolved the limestone rock and carved out the valley in which they now lie. Through the sedimentation of calcium carbonate and the build up of special types of algae and moss, minerals have been deposited to form the natural dams that separate these lakes. The dynamic process still continues today, creating new falls as the water breaks through the slow growing barriers. Our route today gives us the opportunity to experience the rich variety of flora in this region, ranging from reeds, bull rushes and willow trees, which shade the lakes and line the wooden walkways, through to the myriad orchids of cyclamen, scabius and smoke bushes which can be found beneath the predominantly oak and beech forests. Walking approx 8-10 km, 4 - 5 hours.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 Hike part of the long distance Premuziceva Trail

After breakfast, we transfer to Zavizan to walk the Premuziceva Trail. The top parts of northern and central Velebit from Zavizan to Baske Ostarije are connected by a 57km long hiking trail. It was named after its designer, Ante Premuzi, the great builder of roads and trails on Velebit. The construction of the trail took only 3 years (1930 - 1933), but it required the labour of a large number of workers from sub-Velebit villages. The trail opened access to the most hidden and the most beautiful parts of Velebit. We will walk 16km of the trail (approximately 5-6 hours). Later we will transfer to Paklenica National Park, which lies on the southern edge of the imposing limestone mass of the Velebit Mountains. The impressive mountains that make up this breathtaking landscape present an almost continuous wall of rock, rising up to separate the waters of the Adriatic from the rolling landscapes of the interior. This region contains some of the most spectacular walking country in Croatia, with majestic karst landscapes, plunging gorges and jagged mountain peaks to enchant and captivate the visitor. Hotels in the park tend to be small so the group may be split between accommodations for the next three nights depending on numbers. The alternative accommodation will be of a similar standard and location (within walking distance), with breakfast being served at our main hotel.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 5 Half day walk in Starigrad Paklenica

After breakfast this morning we will depart the hotel and follow a trail that passes the villages lining the coast. Along this coastal area the rocky slopes tend to be favoured by a thick blanket of maquis and scrub which leads down to isolated pebble beaches. We will have the opportunity to swim undisturbed in the crystal clear water before stopping for lunch (optional). With the fabulous backdrop of the stark Velebit mountains we will have the chance to watch the changing colours of the sky and the sea as the sun sets on the coast, bring our first day in the region to a close. Alternatively we can extend our walk this afternoon into the foothills of the Velebit Mountains, passing through the Mirila (stone monuments to the deceased). Dating back to the 17th Century the people here made their living from animal husbandry and lived and died in the Velebit Hamlets. Mirila offers us an unique insight into the customs and the way of life of the early Dalmatians. Walking 10 km for the morning walk (no more than 50m ascent/descent) and 18 km including the extended walk (200m ascent/descent). 5-7 hours depending on the walk.

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 6 Hike along the Paklenica Gorge

A full day in the park sees us follow a different route, affording us with a variety of entrancing views. Leaving the hotel by jeep, we will follow a zigzag road with stunning views of the coast, stopping for a visit at the centuries old Mirila; stone monuments signifying the place where the departed would greet the sun for the last time. We then continue on foot to the abandoned summer village of Ramici, occupying the Njive Plateau. Making our way through the broadleaved forest we then descend into the upper reaches of the gorge, following a mountain trail lined with fragrant thyme and sage, all the while surrounded by stunning views of the dramatic karst gorge. We take our time as it is uneven terrain. Continuing up the gorge we will stop for lunch at a traditional mountain hut before returning through the spine of the gorge along a gentle stream. We wind our way through the window and chimney bellflowers and smoke bushes with a steep descent out of the gorge. There is the option to descend the other side of the gorge and continue our walk along pine forested paths, returning to the hotel via a steep ascent with far reaching views. As our route circles back towards the hotel it meets the coast, affording some opportunities for a refreshing swim, if time allows, before we head back for dinner. Walking approx walking 18km, 7 hours (please note this walk is weather dependent, if it is not available the Tour Leader will suggest a shorter walk).

Overnight: **Standard Hotel**
Single Room Available

Included Meals: Breakfast

DAY 7 Explore Trogir and the Dalmatian city of Split

Today we transfer to Split. En route we stop at Trogir with free time for sightseeing and optional lunch. Trogir has a rich history that dates back to the 3rd century BC, with a delightful collection of cobble stoned squares and medieval architecture, and a Romanesque cathedral that is considered one of the most exquisite in the entire Adriatic. Spanning some three centuries it boasts a superb entranceway in its west portal, carved in the 13th century by the master mason Radovan. The town also boasts Venetian Gothic mansions, an impressive clock tower and a comprehensive collection of church artwork displayed in the 13th century Church of St John. What makes Trogir such a delight to wander around though are its meandering alleyways, filled with cafes and restaurants and its elegant riverfront promenade, which leads up to the Kamerlengo Fortress, a 15th century edifice with imposing battlements and a huge octagonal tower. After lunch we continue towards Split. Today's Split is the product of 17 centuries of building, renovating and remodelling. After a guided walk of the city you may wish to visit more of the Diocletian's Palace (optional), the palace that Emperor Diocletian built for his golden years at the turn of the 4th century which became the heart of the city. The mausoleum of the pagan Roman emperor evolved with time into the world's oldest Roman Catholic church. What began as an imperial residence and fortified camp is today an intriguing maze of narrow cobblestone streets where pre Romanesque churches nestle alongside Gothic chapels.
