Southern Oasis Cycling

Surrounded by the Jebel Sahro mountain range, we cycle through kasbahs, tribal villages and cool oases in the Draa Valley. We trek by camel to a nomad desert camp in the Sahara, explore one of the world's most impressive canyons, Todra Gorge, and ride through remote Berber heartland in the High Atlas.

Why Book this trip

Unlike many other operators, we include the hire of your bike in the overall cost of the holiday: you don't need to bring your own or pay extra to hire one locally. We also provide a support vehicle, spare parts and take care of day to day bike maintenance. All you need bring is your own helmet.

Cycling Information

On this tour we cycle 223 km over five days (an average of 45 km a day). The terrain is mainly flat or downhill on tarmac roads (90% tarmac, 10% dirt roads) and we use a bus to drive the steeper sections. We have graded the route as moderate.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Cycling Grade: Moderate

Medium length rides are suitable for cyclists who are used to undulating routes with occasional energetic climbs. You'll be cycling mainly on trails and quiet roads and you should have a reasonable level of fitness.

Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

Your Tour Leader

A Tour Leader is an integral part of any Explore tour and your tour will be led by one of our experienced tour leaders who have been handpicked and expertly trained. We believe that our Tour Leaders are the key to the success of our tours; they are passionate travellers who are bursting with first-hand local knowledge which they

love to share. Your tour Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this tour fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

DAY 1 Join tour Marrakech

We join our tour in vibrant Marrakech. For centuries the meeting place for the mountain Berbers and the desert people of the south, it is divided into two distinct parts - Gueliz (the modern French-built city) and the old medina. The city's beating heart is the lively Djemma-el-Fna square - alive with storytellers, musicians, jugglers and snake charmers. At sunset, dozens of food stalls are energetically set up for the evening trade, selling everything from snails and sheep heads to broths and tagines.

 **Included Meals:** None

DAY 2 Explore Marrakech; drive High Atlas pass to Ouarzazate

This morning, we have some time to visit the souks and sites of the medina before our drive to the garrison town of Ouarzazate - gateway to the Sahara Desert. Our journey takes us over the dramatic High Atlas pass of Tizi n' Tichka, at an altitude of 2,260 metres. En route, we plan to visit the spectacular fortified city of Ait Benhaddou - classified a UNESCO World Heritage Site and considered by many as one of Morocco's most picturesque settings. Richly decorated and studded with crenelated towers, the town's spectacular kasbah may be recognised from scenes in Jesus of Nazareth, Lawrence of Arabia, Gladiator and, most recently, Game of Thrones. The drive to Ouarzazate takes about 4 hours. We spend the night in Ouarzazate and prepare for tomorrow's cycling journey.

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 3 Cycling in the Draa Valley, then drive to Alnif

Leaving Ouarzazate by bus, we drive over the dramatic Tizi n'Tiniffit mountain pass, rising to an altitude of 1,800 metres amid the lunar landscape of the Anti-Atlas. We continue down into one of the most stunning natural wonders of Morocco - the Draa Valley, where we have the opportunity to enjoy an exhilarating cycle ride. Littered with kasbahs and ksours (fortified villages), the Draa Valley is the largest date palm oasis in Morocco. We begin cycling before the small town of Agdz and head south on descending terrain though lush oases. We will get back into our vehicle for the last part of our journey to our overnight stop at Alnif which takes about 3 hours. Our total cycling distance today is approximately 45 kilometres.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 4 Cycle the foothills of Jebel Sahro; camel trek to camp

This morning, we cycle from our hotel along the southern foothills of the Jebel Sahro mountain range, against the spectacular backdrop of the 2,712 metre Amalou n'Mansour peak. This is a very remote part of Morocco and few cars pass through this vast area of stony hammada desert. Later we drive to Merzouga (approximately 2 1/2 hours), from where we will go on an exciting camel trek to explore the contrasting and more stereotypical desert landscape of Erg Chebbi. This spectacular natural wonder is home to the largest expanse of sand in Morocco, with giant dunes peaking at an impressive 150 metres. In actual fact, landscapes like this only cover about one fifth of the Sahara's surface, the rest is made up of vast rock and gravel plains. Our camel trek takes us to our desert camp where we will spend the night. This ultimate 'Arabian Nights' experience allows us to experience the unrivalled tranquillity of this desert setting. Mattresses, blankets and pillows are provided and washing facilities, including flushing toilets, are available. Our total cycling distance today is approximately 50 kilometres (200 metre total ascent).

Overnight: **Simple Camping**

 **Included Meals:** Breakfast, Dinner

DAY 5 Enjoy Sunrise in the sand dunes then pedal to Erfoud

This morning, we recommend rising early to watch the spectacular desert sunrise as it casts shadows across the rolling dunes. After breakfast, we return to Merzouga by camel. A short drive takes us to the start of today's cycle ride in the Rissani region- homeland of the Alaouite dynasty, which reigned in this area for 300 years. Cycling through an expansive desert landscape on mostly flat terrain, we pass palmeries and ksours on our journey to Erfoud - our base for the night. Our total cycling distance today is approximately 35 kilometres.

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 6 Bike though local villages en route to El Kelaa Mgouna

This morning, we set off on our bikes towards Tinerhir in the foothills of the Atlas Mountains. Passing alongside the ancient 'Fogaras' subterranean irrigation system, our route takes us through a lush oasis, abundant with date palms and olive groves, fruit orchards and almonds trees, all littered amongst a fertile landscape of grain and vegetables. Our bus will pick us up for the last part of our journey to Todra Gorge - renowned as one of the most spectacular canyons in the world. Here, ochre-coloured rock walls rise vertically to a height of 160 meters, leaving just a narrow pass through which the track and river struggle for right of way. We have time to explore these deep, narrow mountain chasms on foot and are likely to see the Berber women drive their goats through the gorge to the better grazing land higher up. We continue our journey by vehicle along the former caravan route between the Sahara and Marrakech to reach our overnight stop in El Kelaa des M'Gouna. Our driving time is about 4 1/2 hours. Known as the 'town of the roses', it is surrounded by a landscape of scented blooms each spring. These are harvested in May during the famous Festival of the Roses, before being processed into rosewater and sold throughout the Islamic world. Our total cycling distance today is approximately 40 kilometres (200 metre total ascent).

Overnight: **Standard Hotel**

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 7 Ride down the Atlas Mountains and return to Marrakech

After an early breakfast, we drive into the High Atlas to the Tizi n'Fedrhate Pass at an altitude of 2,150 metres. From here, we start cycling down into the northern foothills of the Atlas Mountains, through some of the most dramatic scenery of this entire trip. Amid the silence of the mountain valleys, the hardy Berbers cultivate fields of barley, wheat, olives, figs, beans, peas and almond groves. Here, tradition is strong and social organisation remains uncompromisingly tribal. These 'Lords of the Atlas' present us with a unique view of a way of life lost to the rest of North Africa, where music and dance, even language and religion, are far removed from their Arab neighbours. Later, we get back into our vehicle, returning to Marrakech late in the afternoon. Our total cycling distance today is approximately 50 kilometres (250 metre total ascent). Please note: Today's cycling route may have to be altered in adverse weather conditions.

Accommodation and Meals

Accommodation Notes

Standard - Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Simple - These are often small, family run establishments or campsites which provide a no-frills experience with adequate amenities and service standards. Sleeping arrangements are simple, sometimes with en suite facilities.

Morocco is a developing country and as such, the accommodation standards are not equivalent to those in Europe and can be more basic. We generally choose our properties because of their location, cleanliness, traditional style or for their welcoming atmosphere, as we endeavour to provide an authentic Moroccan experience. However, some of the properties might have some outdated or simple furniture and the level of service may vary depending on the location. You may find that availability of hot water is variable or limited in certain locations. Breakfasts are generally continental style. A swimming pool is often available, especially in the cities.

Food & Drink

Included meals: 7 breakfasts, 0 lunches, 1 dinner included in the price of this trip. Please be prepared to pay for non-included meals. Please note that costs for drinks and meals can vary depending on location.

Budgeting for your Trip

You will need some extra money to cover meals and drinks not included in the trip price, any optional sightseeing, souvenirs and items of a personal nature such as laundry.

Food

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Morocco

Dinner £: 5.00 - 8.00

The prices for drinks can vary greatly depending upon location and the prices detailed below are an average guide. In general you would expect that drinks purchased in a supermarket or local bar to be less expensive, whilst drinks in an upmarket bar or restaurant may be more expensive.

Morocco

Water £: 0.60

Other Sightseeing & Activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Tipping - Tour Leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Tipping - Local Crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour. Accordingly you should allow at least GBP 20 for tipping local crew.

Bike Details

Your included bike is a 27 gear Cannondale Off Road or Trail Mountain Bike with front suspension and will be the correct frame size for your height. A handlebar bag and water bottle holder are included as well as the facility to fit your own saddle if you wish to bring them. A support vehicle accompanies the rides throughout the tour. We provide spare parts and take care of the day to day maintenance. All you need to bring is your own helmet.

Climate

Morocco

The climate is both Mediterranean and Atlantic. The dry, hot season is from May to October when summer temperatures can reach 38°C and above (if sight seeing is included we will do our best to avoid the heat of the day during this period). Temperatures may drop significantly at times during the night as the day's heat rapidly diminishes. From December to January snow can be expected on mountain passes and it can be wet. In winter, day temperatures will probably be around 18-25°C, dropping to perhaps 0-5°C.

Clothing

We recommend you bring padded cycle shorts and quick drying cycle shirts for the daily cycling. Soaked cotton clothes tend not to dry while cycling. Cycling gloves are strongly recommended as they will protect you from sunburn and may also help protect your hands if you fall.

Evenings and nights can become quite cold between October and March. It is advisable to take warm clothing (e.g. track suit or thermal underwear) to sleep in, as some of the Moroccan hotel rooms do not have heating. Keep in mind that at altitude and in the desert, temperatures can drop rapidly, so a warm sweater or fleece, plus waterproof/windproof shell garment, hat and gloves are essential. Don't forget your swimming costume in the warmer months.

Morocco is a Muslim country and it is important to dress with respect for local customs. People may be offended by shorts or revealing dresses, which can attract unwelcome attention. We advise that in general both men and women should cover shoulders, upper arms and knees. Transparent, 'plunging' necklines and tightfitting clothes should be avoided. Women should also cover their heads when entering a sanctuary, though in general, mosques are forbidden to non-Muslims. For those clients on a cycling holiday please bear this information in mind for times that you are not on the bikes. While cycling it is no problem for both men and women to wear your regular cycling gear, tight fitting or not.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

Please note that for the desert camping thick mattresses, blankets and sheets are provided for you. In the winter months between November and March you may consider bringing a sleeping bag to supplement the blankets provided as night temperatures can be very cold.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling. Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage: On Tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike. Remember you are expected to carry your own luggage so don't overload yourself.
