Walking In Cyprus

Steeped in mythological history, Cyprus is a unique island. We discover its beautiful landscapes and rich cultural heritage as we trek through the Troodos Mountains and the Akamas Peninsula. In the Solea Valley we discover 12th century Byzantine churches, and we explore the Tombs of Kings in Pafos. We also visit the Baths of Aphrodite, Kykkos Monastery and the Greco-Roman amphitheatre at Kourion.

Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

Trek Grade: Moderate

For those who are fit and active, these moderate walks are normally on good paths and tracks at low altitude. Days may include some fairly demanding ascents and descents, so previous experience is preferable but not essential.

DAY 2 Drive to Troodos via Lefkosa and Solea Valley

This morning we drive to nearby Lefkosa. This dynamic city has been the capital of Cyprus for more than 1000 years and is situated right in the centre of the island in the Mesaoria plain. The old city is enclosed by 16th century Venetian walls where winding alleys are filled with old and some medieval buildings and ancient churches. The Laiki Yitonia area is particularly interesting, alive with restaurants, shops and galleries and many traditional crafts for sale. The Ayios Ioannis Cathedral (dedicated to Saint John) once housed a preserved finger of St John the Baptist until it was stolen after the Battle of Choirokoitia in 1426 AD when the Mamelukes defeated the local forces and went on to over run Lefkosa. Outside the city walls lies modern Lefkosa, with public gardens and colonial buildings and open air cafés that grace the elegant streets such as Makarios Avenue. We include an orientation walk of the old town before heading for the fresh air of the Troodos mountains and the UNESCO World Heritage Byzantine churches of the Solea Valley. We'll make a stop at the 12th century church of the Virgin Mary in Asinou which has some of the finest examples of Byzantine mural paintings to be found in Cyprus with inscriptions dating the earliest frescoes to 1106AD. These vibrantly coloured frescoes relate Christian stories - one depicts the harrowing scene of the Forty Martyrs of Saint Sebasto, blood oozing from their spear wounds about to be thrown into a frozen lake. Later, we'll take our first walk through a forest to the small hamlet of Agios Theodoros. Finally, reaching our mountain hotel in Troodos, there may be time for a short walk on one of the many trails on the slopes of Mount Olympus. Today's 5km walk is expected to take around 1.5hrs with 300m ascent and 275m descent

Overnight: **Standard Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 3 Walk to Pedoulas

Troodos is 1750m above sea level and the cool air is fragrant from the pine forests that swathe the rolling mountains. Today we descend along winding tracks to Pedoulas village (1100m) at the head of the Marathasa Valley. The walk is easy paced and rewarded with great views of mountain villages where wild flowers, mostly in spring, provide colourful splashes on the mountain sides. The abundant sunshine is ideal for the cherry orchards around Pedoulas village, the main producer of cherries in the region. Try some of the splendid preserves and liqueurs! Today's 20km walk is expected to take around 6hrs with 200m ascent and 450m descent

Overnight: **Simple Hotel**
Single Room Available

 **Included Meals:** Breakfast

DAY 4 Walk to Milikouri via the Platy Valley, visit Kykkos monastery drive to the coast.

After a short bus transfer we continue walking west through the mountains enjoying the lovely views. In the spring rare species of orchid, crocus and poppy can be found in the Troodos region. Another attraction of walking the mountain routes is the peacefulness of the countryside and friendliness of the local people who live in the simple stone built houses. They are resilient by nature having withstood and accommodated the succession of invaders throughout their long history and are renowned for their hospitality. Upon arrival in Milikouri we then transfer to the nearby richest monastery in Cyprus, Kykkos, which enjoys prestige throughout the whole Greek Orthodox church. It possesses a miraculous icon of the Virgin Mary reputedly painted by St Luke which has survived the four fires that destroyed the monastery itself. Next, we'll drive to Stavros tis Psokas Forest Station. This region of Cyprus is famous for mouflon (fawny brown mountain sheep with huge curled horns) which can be found roaming wild. We'll visit a mouflon breeding enclosure on our final descent through the forest to the Akamas Peninsula and our accommodation near the Baths of Aphrodite. Today's 14km walk is expected to take around 4.5hrs with 400m ascent and 700m descent

Overnight: **Standard Hotel**
Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 5 Baths of Aphrodite walk

The Akamas Peninsula is a protected wilderness area where nature has taken over. Walking in this unspoilt region affords wide sweeping views down to the craggy coast. Today we'll visit the Baths of Aphrodite, where the goddess Aphrodite bathed after her liaisons with Adonis. We'll also follow a circular nature trail around the Baths. The region is host to a number of the 365 species of

birds to be found on the island, many of which are migratory stopping on their route between Eurasia and Africa. There is the option to extend the walk to a full day trip or simply relax and enjoy the perfect surroundings. Today's 14km walk is expected to take around 4hrs with 575m ascent and descent.

Overnight: **Standard Hotel**

Single Room Available

Swimming Pool Available 

 **Included Meals:** Breakfast

DAY 6 Walk to Agios Georgios tis Pegeias

There are densely forested gorges and high trails on the peninsula, most notably the Avagas Gorge, where the steep canyon walls allow little natural light into the dark valley. Today we follow the beautiful walk from Kathikas to the small fishing hamlet of Agios Georgios tis Pegeias. The trails in this area are rich in carob and juniper trees and you may spot tiny chukar hiding in the scrub. The higher ground affords wonderful views of the rugged coastline and out towards the inviting waters of the Mediterranean. Today's 18km walk is expected to take around 6hrs with 175m ascent and 750m descent.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast

DAY 7 Drive to Larnaka via Pafos and Kourion

Today we leave traditional rural Cyprus and head first to the seaside town of Pafos. It is now a busy town but reminders of its ancient history are still in evidence. Aphrodite, the Goddess of Spiritual Love and Sensual Lust, was born 16 miles off the coast, out of the foaming waves of the sea to the sound of thunder claps. She would meet the youthful Adonis in the hills round Pafos and when he was killed by a wild boar while hunting, her tears of sorrow turned into abundant springs and waterfalls, whilst his blood became the red anemones that colour the hills. We'll visit the Tombs of the Kings, the ancient necropolis of Nea Pafos. Belonging to the wealthier people of Pafos and hewn from the sandstone, the tombs date from the 4th century BC, when Cyprus was governed from Alexandria and held by the Ptolemies. Next we'll visit the Roman remains at the House of Dionysos where the best mosaics on the island are to be found. Leaving Pafos we head for Larnaka but first make a stop at Kourion, the most spectacular archaeological site on the island, where excavations are still bringing new treasures to light. A magnificent Greco-Roman theatre built in the 2nd century BC commands a wonderful view out to sea. We arrive back in Larnaka in the late afternoon.

Overnight: **Standard Hotel**

Single Room Available

 **Included Meals:** Breakfast

DAY 8 Tour ends Larnaka
