DAY 1 Join the trip in Krakow, Poland

Our adventure begins in the beautiful Polish city of Krakow, where we spend the next two nights. It was Poland's former capital until 1596 and due to its very distinctive character it is on the UNESCO World Heritage list. Its historic architecture survived World War II unscathed, unlike most other Polish cities, and its rich culture has been preserved to the present day. It was the residence of Polish kings and has nearly one hundred churches, as well as the country's oldest university. Among its most important architectural treasures are Saint Mary's Church, which contains the world-famous altarpiece carved by Veit Stoss, the Medieval buildings of the

Jagiellonian University and Wawel Castle and Cathedral. In the city centre you will find numerous good Polish restaurants and the 'pierogi', Polish dumplings, are especially tasty. There are also many bars selling a range of local beers and of course a wide range of vodkas. Such as Chmiel, which is a basement bar beneath the forecourt of Wawel Castle, C.K. Browar, which is a popular micro-brewery or Starka Restaurant and Vodkas where you can try out an array of homemade flavoured vodkas.

DAY 2 Walk in the Old Quarter; option to visit Wieliczka Salt Mine

This morning our Explore Leader will take us on a short orientation walk around the city's stunning Old Quarter to help us get our bearings. The rest of today is left free for you to explore Krakow and further afield if you wish. The Jewish Kazimierz district, the setting for the film Schindler's List, has many points of interest, including the Old Synagogue and the Museum of Jewish Life. You may like to make an excursion to Oswiecim, the site of the Auschwitz-Birkenau Concentration Camp, which is a haunting reminder of the terrible atrocities that took place here during World War II. Alternatively it's possible to visit the Royal Castle, perched high on Wawel Hill, which overlooks both the Old Quarter and the Vistula River. Constructed in Renaissance style, the castle houses exquisite treasures collected through the ages by Polish monarchs. Next to the castle is Wawel Cathedral, which is the final resting place of the Polish Kings. Another option is to visit the fascinating Wieliczka Salt Mines, which is a UNESCO World Heritage Site. At up to 300 metres underground you'll see a 400 year old chapel, a subterranean salt lake and chambers large enough to hold the Eiffel Tower! The Chapel of Saint Kinga is the mine's most spectacular feature and you'll no doubt be amazed by what can be sculpted from salt. Please note that there are 350 steps down into the mine at the beginning of the tour and then a further 450 on the route through the various corridors and 20 chambers visited. The temperature underground can be much cooler than on the surface, so be sure to bring a jumper.

DAY 3 Rafting in Dunajec Gorge; arrive in the Tatras Mountains, Slovakia

This morning we depart for an inflatable rafting trip on the Dunajec River to a point close to the Polish border near Lesnica. It's a chance to get active and probably get wet as well as enjoying the picturesque surroundings. Bring a change of clothes and shoes that you don't mind getting wet and a towel with you today. This river has been a famous attraction since the middle of the 19th century, when tourists came here to cruise on log built rafts. We meander along the bottom of the spectacular canyon that bears the river's name, passing a landscape of towering limestone cliffs, blanketed in lush forests of fir, beech, larch and spruce. Part of the Pieniny National Park, the gorge is one of the most stunning in Europe and its verdant slopes attract a diverse collection of wildlife including lynx, wolf, stag and some 14 species of bats. Birdlife includes eagle and pygmy owls, three toed woodpeckers and rare black storks can sometimes be spotted along the river's edge. We will also pay a visit to the impressive Spis Castle. Sat on a hilltop above the town of Spisske it was once home to the Hungarian kings and it is now a UNESCO World Heritage Site and the ruins show both Romanesque and Gothic architecture. We then board our bus and continue to Tatranska Lomnica in the High Tatras Mountains. This area of Slovakia can justly claim to be the Switzerland of the country. Snow-capped for most of the year, the compact High Tatras range is sliced by beautiful valleys and lakes. An ideal region for winter sports, in summer the network of well-marked trails is a hiker's delight.

DAY 4 Hiking in the Tatras Mountains

Today we take a public bus to Biela Voda and from here we'll start our full day trek in the beautiful Tatras Mountains. We begin with an uphill walk to the picturesque Green Lake. We take in the view and have the option to have a picnic lunch here. For those that wish to walk further there is then the possibility to continue to the Great White Lake before returning to Biela Voda on foot. We return to Tatranska Lomnica by public bus for the evening. The trek is graded moderate. The first section is 5 kilometres long and goes from 915 metres to an altitude of 1550 metres and should take approximately 2.5 hours. If you continue to the Great White Lake it's a further 2 kilometres and goes to an altitude of 1615 metres and should take an extra 35 minutes. We then need to walk the same distance back to the original starting point of the walk, so we will cover between 10-14 kilometres and walk for 5-6 hours in total today. Please make sure you bring comfortable walking shoes or boots and you may also find walking poles useful. Alternatively if you'd prefer a shorter walk then you can take a local train to Lake Strbske and enjoy a gentle walk around the lakeshore. This large glacial lake offers great views over the surrounding pine covered Tatras Mountains with their jagged rock peaks.

Train to Banska Bystrica with an orientation walk on arrival

This morning we travel by rail to Banska Bystrica (the journey will involve changes of train). On arrival our Explore Leader will take us on an orientation walk of the city. The pretty town is set on the Hron River and is surrounded by mountains. The main square is a hive of activity in summer and the City Castle, which is one of the main attractions, is located on the edge of the square. Back in 1944 it was in Banska Bystrica that the Slovak National Uprising began against the invading German forces and their own collaborationist government. Although most were defeated a few members managed to hold on until 1945 when the Soviet, Czechoslovak and Romanian armies arrived and liberated the country from under Nazi rule. Whilst here you might like to try the traditional and delicious folded potato pancakes followed by the original 'Tatratea' liqueur, which is a tea based strong herbal drink that originated in the High Tatras Mountains, as a way of keeping warm on cold winter evenings.

Overnight: **Standard Guesthouse**

 **Included Meals:** Breakfast

DAY 6 Excursion to Banska Stiavnica and visit to the Mining Museum

Today we depart on an excursion to Banska Stiavnica - a preserved Medieval town that is yet another UNESCO World Heritage Site. The town is unusually located in the centre of a huge caldera of an ancient collapsed volcano and is surrounded by dense forested hills. Whilst here we will visit the Open Air Mining Museum, which dates back to the 17th century and offers an interesting two kilometre long underground excursion. The museum not only explains the mining history of Slovakia but also the cultural heritage of the town itself.

DAY 7 Drive to Budapest, Hungary and take a guided walking tour

We start our day with a visit to the Hronsek Wooden Church and then stop in the small village of Sebechleby where you may choose to go wine tasting. From here we continue our journey to Budapest. Situated on a beautiful stretch of the Danube River, Hungary's capital consists of two parts: Buda and Pest. Buda is the older, more graceful part, with cobbled streets and Medieval buildings, whilst the latter is the modern business centre. Utilising local transport, this afternoon's guided walking tour takes in the major sites of this impressive city. We discover the Basilica of Saint Stephen and the Parliament buildings before crossing the Chain Bridge to the Castle District and Watertown. Here lie Buda's most ancient gems - Castle Hill with the Old Town, Fisherman's Bastion and the Royal Palace.

Overnight: **Standard Hotel**

 **Included Meals:** Breakfast

DAY 8 Free day in Budapest with the opportunity to visit a thermal bath

Today in Budapest is left free for you to further explore its many attractions. You may like to visit one of the city's famous thermal baths or take a boat cruise on the Danube. Another recommended attraction is Szentendre; an artist's town with a Serb minority located on the bank of the river, which can be reached by train or bus.

DAY 9 Drive to Bratislava, Slovakia with a walking tour on arrival

After the journey from Budapest we will spend a nice leisurely afternoon in historical Bratislava, the capital city of Slovakia. It used to be the capital of the former Hungarian Kingdom and was known as 'Pressburg' and went through tough times at war with the Ottoman Empire. We will walk through the Old Town's maze of pretty Medieval streets and squares surrounded by numerous cafes and trendy bistros. We pass by Michael's Gate which is the only remaining old entrance to the city, the pretty Main Square, Neoclassical Primate's Palace and Cathedral of Saint Martin. After the walk you can continue your discovery by visiting one of the oldest castles in Slovakia or by enjoying a birds eye view from city's most famous landmark, the so-called UFO bridge, which affords views over the 'panelaky' typical communist era blocks of flats and various other fairly radical urban projects.

 **Included Meals:** Breakfast

DAY 10 Train to Vienna, Austria; chance to travel back by boat

This morning we take a short train ride (about 1 hour) to Austria's capital, Vienna, where we enjoy a walking tour of the Old City with a local guide. This should offer a good initial overview of the history and the structure of the city. Sights during the walk will include the Karlsplatz, Heroes Square, Hofburg (Imperial Palace Complex), Imperial Treasury, National Library, Spanish Riding School, Vienna's ancient housing estates, Saint Stephens Church and the Opera. We won't have time to enter any of these places on our tour but afterwards you will be free to return to visit any that you wish. You can choose to return to Bratislava by train at your leisure (we will provide a return ticket) or you may prefer to book a boat trip back along the Danube River (taking approximately 2 hours).

 **Included Meals:** Breakfast

DAY 11 Visit to Lednice-Valtice and wine tasting in Mikulov, Czech Republic

We start our day with a train trip (taking around 1 hour), followed by a short bus journey to the beautiful town of Mikulov. Situated in the very heart of the wine region, it has plenty of walking paths with local and family run wine cellars or wine tasting centres along the way. En route to Mikulov we stop at Lednice-Valtice Cultural Landscape, which is a UNESCO World Heritage Site. It's one of the largest artificial landscapes in Europe and here we will take a walk around the castle park of Chateau Lednice. In the afternoon we visit the Jewish Cemetery in Mikulov with centuries old tombs and it is the final resting place of many prominent rabbis. Following our visit we'll enjoy a wine tasting of Mikulov's local produce.

DAY 12 Train to Prague and explore on foot

A train journey takes us to our final destination of Prague, the capital city of the Czech Republic. Our train travel today will involve a change of trains and take approximately 4.5 hours in total. Twelve centuries have adorned it with a labyrinth of old streets and wonderful palaces and bridges. We enjoy a guided city tour, which will take in some of the main highlights including the Old Town Square and City Hall, set amid antique houses and arcades. Other sites include the Astronomical Clock, Powder Tower and Prague Ghetto, which includes the Jewish Cemetery and Synagogues. We also see Charles Bridge, the most handsome bridge over the Vltava River and the area of Hradcany which contains the castle of the Bohemian Kings.

Overnight: **Standard Hotel**

DAY 13 Free day in Prague with the option to visit Konopiste Castle

On our second day in Prague you are free to enjoy the city at your leisure. You may wish to head by local train to the 700 year old Konopiste Castle. The castle was once owned by Archduke Ferdinand, whose assassination in Sarajevo triggered the start of World War I. A boat trip on the Vltava River is another possibility. There are also many classical music concerts to be found. If the timing is right, you may be lucky to see a performance in one of the old atmospheric churches. There the option of visiting the Bunker Museum, where a range of Cold War relics are on display from an age when paranoia and spying was at an all-time high, which is housed in a former communist bunker underneath the city.

Preparing for your Trip

Climate

Poland

Poland has a temperate, changeable climate. September and October are cooler and gradually become damper until late November when temperatures fall below freezing with snowfall, particularly in mountainous areas. Cold temperatures last through to March, but are tolerable. Snow can lie for up to three months in the mountains.

Slovakia

Summers are short in the mountains. July to August is the hottest period, when daytime temperatures average 20-22°C, though it may be much cooler in the early morning or late evening. During the winter, snow and ice is not uncommon, with snow generally starting in December and continuing to early February. Mountain weather is notoriously changeable and it can be cold at any time of year, so be prepared.. Early July is the best time for flowers.

Hungary

Summer days are generally quite hot and sunny with usually between 9-10 hours of sunshine daily. Winter days are usually quite windy and temperatures are regularly around or just below freezing. Night time temperatures can drop quite low in the hills whilst most rain falls in spring and early summer. Sudden rain showers can, however, occur at any time of the year.

Czech Republic

The Czech Republic has a temperate continental climate, with relatively hot summers and cold, cloudy and snowy winters. Most rain falls during the summer. The temperature difference between summer and winter is relatively high, due to the landlocked geographical position.

Austria

Austria has a variable climate with frequent changes of weather from day to day. Expect a contrast of warm summer days with the possibility of showers at any time.

Clothing

Mountain weather is changeable. Summers can be hot so pack cottons and light weight clothing with warmer layers for the evenings and a rain jacket, just in case. Medium weights in spring and autumn are recommended along with a windproof and waterproof jacket. If you are travelling in winter then wrap up warmly - layers work best. Warmer clothing is required for in the Tatras Mountains - a warm fleece, gloves and hat are essential throughout most of the season. You should also bring a swimming costume and towel.

Equipment

Bring a water bottle, insect repellent, a sunhat, sunscreen and sunglasses and a torch just in case of emergencies. You may also find walking poles useful for the hike in the Tatras Mountains. Don't forget your camera.

Footwear

Walking boots for the Tatras Mountain trails are required. Comfortable trainers or sandals for city sightseeing and relaxing. If you're travelling in winter then bring good non-slip footwear as the cobbled streets can be slippery underfoot when they're wet or icy.

Luggage: On Tour

One main piece of baggage and a day pack. Remember you are expected to carry your own luggage so don't overload yourself.

Cool Earth

Explore are proud to support Cool Earth in their effort to reduce global carbon dioxide levels through the prevention of deforestation in the South America rainforest. Cool Earth focus on areas in immediate danger of deforestation, supporting local communities to be forest guardians. To date 350,000 acres of rainforest has been protected. Saving rainforest also protects rare animals and plants, allows local forest communities to maintain their way of life, and protects a major source of oxygen and fresh water. When you travel on an Explore holiday we make a donation to Cool Earth that exceeds the impact of our customers flights each year.

Earth Matters

We are passionate about sustainable travel and work hard to create tours where your holiday delivers real benefits to the local communities. We minimise our impact by travelling in small groups, respecting local cultures, reducing waste and offsetting 100% of the CO2 from our flights.

When you travel with Explore, you are directly contributing to local economies and helping empower the people you meet. We currently support a range of charities and good causes, including: Toilet Twinning (helping to flush away poverty), Lone Buffalo Foundation (a community project based in Laos providing creative skills for young people) and have recently supported women's cooperatives in Borneo and Morocco. We are a member of Tourism Concern's Ethical Tour Operator Group (www.tourismconcern.org.uk) and support their campaign for fair and ethical tourism. We also care passionately about the world's wildlife and actively support and promote the Born Free Organisation and Mahouts Elephant Foundation.
