## Amalfi Coast Walking

A relaxed walking holiday exploring the spectacular Amalfi Coast. Our walks take us across cliff tops, through woodland and national parks. The week culminates in the celebrated 'Walk of the Gods' - one of the world's greatest coastal walks. There is time to explore the towns of Amalfi and Positano and island of Capri. You also have the chance to visit the ruins of Pompeii, to climb Mt Vesuvius and explore Ravello. Stay with an Italian family at their peaceful farm overlooking the Mediterranean and enjoy simple, tasty home-produced organic food and wine. Try your hand at making pizza, local cheese and limoncello. At our Agriturismo you can relax and enjoy a taste of the 'dolce vita'.

### Why Book this trip

Hiking on the Amalfi Coast has become justifiably popular in recent years, with a number of operators offering trips there. Here are 10 Reasons why you should enjoy your walking holiday with Explore:-

- Our peaceful and intimate agriturismo is perched on the cliffs above the Amalfi Coast.
- All 13 well-appointed bedrooms have a sea view.
- Stay with an Italian family - see how three generations live and work in harmony with nature.
- Included day trip to the stunning island of Capri.
- 5 day walks including the 'Walk of the Gods' and Ferriere National Park.
- Homemade rustic food served in traditional Italian surroundings.
- Opportunity to make pizza, fresh goat's cheese and limoncello.
- Sample the local wine in a beautiful wine cellar.
- Responsible tourism at its best.
- Qualified English-speaking trekking guides.

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

## Trek Grade: Easy to Moderate

This grade is ideal if you want to enjoy both easy and moderate level walks on the same tour. You'll be walking mainly on good paths and at low altitude, with occasional more demanding ascents or descents.

## Your trip itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

### Your Tour Leader

The Leader is an integral part of any Explore trip and your trip will be led by one of our experienced Leaders who have been handpicked and expertly trained. We believe that our Leaders are the key to the success of our trips; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Leader will also take care of all the planning and organisation throughout your journey. Their passionate approach will make this trip fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

### DAY 1 Join trip at Naples airport; transfer to our agriturismo

Arriving at Naples Airport, the transfer to our base in San Lazzaro will take just over an hour. Here, we can look forward to settling in to our authentic agriturismo accommodation, with its rustically-furnished, en-suite rooms - our home for the next week. At 650 metres above sea level and located only a few metres from the cliffs, our base affords magnificent views of the Bay of Salerno and is peacefully situated a few miles away from the tourist thoroughfare. The family who run this working farm are our hosts for the week, producing their own wine, as well as much of the food that they serve us. A light, cold supper will be served on arrival at the agriturismo.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Dinner

### DAY 2 Warm up ridge walk; views of Mount Vesuvius

Setting off on foot from the farm this morning, we head up onto a ridge and gently ascend to a height of 900m. Continuing along the ridge, we pass through thick woodland and enjoy views of the Agerola Plain, Vesuvius and the Bay of Naples. Today's walk is circular and we descend to the small hamlet of Santa Maria before heading back to San Lazzaro, where the rest of the day is free to relax. Today's walk is graded moderate, with the 11 kilometres expected to take approximately six hours with a total ascent and descent of 540m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast, Lunch, Dinner

### DAY 3 Walk to Amalfi along the Ancient Republic's Path

Once again, we commence our walk from the farm, following a path that leads through steep terraces towards the coast. This is an ancient pathway and, before the coastal road was built in the 19th century, this was the only way to get from Agerola to Amalfi. There are plenty of places to stop and admire the sea-views as we descend down a series of steps and meander through ancient alleyways. We arrive in Amalfi in time for lunch and have a free afternoon in which to explore this stunning harbour town. You may choose to look around the impressive Duomo di Sant Andrea (St Andrew's cathedral), with its remarkable baroque interior dating back to the 11th century. The beautifully restored ancient Roman basilica is another highlight. Alternatively, you might choose to relax in one of the many cafes or gelaterias, or look around the curio shops. If it's a hot day, a swim from the public beach might appeal - don't forget to pack your swimming costume and towel. We will head back to San Lazzaro by public bus late in the afternoon. Today's six kilometre walk is graded as easy, with a total ascent of 90m and a 755m descent. We expect it to take us approximately two-and-a-half to three hours.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast, Dinner

## DAY 4 Day Trip to Capri by boat

We take an early bus to catch the boat from Amalfi to Capri. Our ferry ride affords us impressive views of the Amalfi Coast; its clusters of buildings clinging spectacularly to the cliffs. Although only a small island measuring seven kilometres in length and three kilometres in width, Capri's magnificent 600 metre-high cliffs contribute to its imposing appearance. Capri has enjoyed coastal resort status since Roman times, but today's walk gets behind its glitzy facade of trendy boutiques and cool cafes. Exploring its network of winding streets, grand houses and kitchen gardens, our route takes us to the coast, past banks of beautiful bougainvillea and to the quieter parts of the island. Here we have superb views of the mainland and the magnificent limestone cliffs rising out of the Mediterranean. There will be time to enjoy the buzz of the main town, as well as a visit to Emperor Tiberius' palace and perhaps time to visit Villa Lysis, before heading back by boat to Amalfi. Today's easy-graded walk will take approximately four hours, covering 10 kilometres, with a total of 400m ascent and descent. Please note that if the weather is deemed too rough, the ferry to Capri will not operate. Instead we will visit the beautiful hilltop town of Ravello and take a two-hour walk through pretty farmland to the coastal town of Minori.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast, Dinner

## DAY 5 Walk in the Ferriere National Park

Once again, today's walk sets off from our accommodation. We take a limestone stairway above San Lazzaro which leads us high above the village. There are great views towards Salerno and the villages and towns below. Contouring round, we pass pretty woodlands and small valleys, before crossing into the Vallone di Ferriere. Surrounded by high limestone cliffs, the four kilometre length of this valley has a unique micro-climate, creating a home for plants not normally found in this area. Our well-established path offers spectacular views of the valley and coast, passing small waterfalls and a pretty river. Descending to Amalfi, we catch the bus back to San Lazzaro. This moderately-graded walk will take approximately six hours, covering a distance of 13 kilometres with a total ascent of 360m and a total descent of 1015m.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast, Lunch

## DAY 6 A free day to visit Pompeii and Vesuvius

Today is a free day to use as you wish. You may choose to relax at the farmhouse or take an optional day-trip to Pompeii. Devastated by a volcanic eruption in AD 79, Pompeii is hailed as one of Europe's most compelling archaeological sites, due to the unique way that the volcanic ash has perfectly preserved so much of the city. Walking around the paved streets and buildings of this UNESCO World Heritage site provides a fascinating, if ghostly, insight into Roman life. Looming above Pompeii is Mount Vesuvius. As well as providing the opportunity to peer down into its 200 metre crater, which most recently erupted in 1944, the panoramic view from its summit is spectacular. A trip to Pompeii and Vesuvius is organised locally, so you do not need to book it in advance.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast

## DAY 7 The 'Walk of the Gods' to Positano

Often a highlight of the trip, the Walk of the Gods is justifiably regarded as one of the greatest coastal walks in the world. The high cliff path contours west, with magnificent views of the Bay of Salerno and Capri. The trail passes under huge limestone cliffs and above picturesque stone farmhouses until it reaches the attractive village of Nocelle. From here, we descend down an ancient stairway, past pretty flower gardens, into Positano. A poor fishing village until the 1950s, Positano has grown into a chic town that is still a favourite with Hollywood stars. There is plenty of time to enjoy the town and beach before transferring back to the farm for our final evening. Today's moderately-graded walk will take approximately five hours and will cover a distance of 11 kilometres with a total ascent of 330m and 900 m descent.

Overnight: **Standard Hotel**  
**Single Room Available**

 **Included Meals:** Breakfast, Lunch, Dinner

## DAY 8 Free day to visit Ravello; trip ends Naples Airport

Today provides the option of free time or an alternative is to visit Ravello, which offers the chance to explore its glorious mix of Moorish flair and aristocratic excess. This tranquil spot, located high on a rocky promontory overlooking azure waters, has attracted artists and writers to its enchanting streets for generations. Later this afternoon we transfer back to San Lazzaro and later on Naples Airport, where the tour ends.

## Accommodation and Meals

### Accommodation Notes

Our base for the week, Luna d'Agerola (Agerola's moon), is a small family-run organic Agriturismo (farm guesthouse) set close to the cliffs overlooking the sparkling waters of the Amalfi Coast. Unlike staying in a hotel, you will stay with the family, as their guest, and have the opportunity to learn about the workings of the farm. You will see how the family works together in harmony with nature to produce organic vegetables, to tend their animals, harvest the grapes for their wine and olives for their oil. You will also have the opportunity to make and eat your own pizza, fresh goat's cheese and even limoncello. Ferdinando will serve you authentic local Italian dishes freshly prepared by his sister Giovanna, you will see Valentino tend to his bees whilst Pasquale and his daughter Martina will introduce you to the delights of their home-grown, rather splendid organic wine which you can taste in their own stunning wine cellar. It is a wonderful opportunity to see how 3 generations of one family, from 88 year old 'Mama' Maria down to 11 year old Giuseppe work as a team and a family.

The Agriturismo is just a three minutes' walk from the small village of San Lazzaro, which has a few bars, two mini-markets and a couple of small restaurants. This small intimate farm-stay has just 12 simple yet beautiful rooms, all with private bathrooms and either a balcony, terrace or window views towards the sea. There's a lovely terrace where you can relax after your days walk and quiet room where you can use the WiFi internet connection at no extra charge. The kitchen can cater well for vegetarians and gluten free diets. If you require a gluten-free diet, you must inform us before you go.

The word Agriturismo refers to farms in Italy only; it is a combination of the Italian words agricoltura (agriculture) and turismo (tourism). An Agriturismo is a farm designed to also receive guests, whether as a restaurant, holiday accommodation, or both. It is a very sustainable form of tourism. Since developing their farm from a simple small holding to holiday accommodation and a beautiful restaurant this generation of the Acampora family have now secured stability for their future generations.

## Preparing for your Trip

NAW\_2017\_Distance.

### Trekking Details

We walk between three and five hours each day, following footpaths and old mule tracks between villages. Some of the terrain is rough and stony underfoot and three of the walks involve long descents of steep steps. Any of the walks can be opted out of. We have graded this trek as Easy to Moderate as there is a mix of easy and moderate walks.

### Climate

#### Italy

April/May and October/November are pleasantly warm. June/September are the hottest months. Showers are common in Autumn.

### Clothing

The following are essential: waterproof jacket, fleece jacket or jumper (the evenings can be cool), T-shirts, comfortable walking trousers, shorts, sunhat, sunglasses and high factor sun-cream. Between April and early October you should expect to live in T-shirts and shorts during the day, but please be aware that temperatures and the weather change quickly and it is much cooler at night. For around-town wear you may like to bring some slightly smarter clothes - the Italians dress well when they go out. There are opportunities to spend time at the beach, so bring a towel and swimming costume. From October to early April it will be cooler during the day and from November to mid-March it can be cold. It is also quite likely to rain. You should come prepared for this and bring waterproof trousers and jackets, walking boots, warm clothes, woolly hat, gloves and scarves.

---

## Equipment

You will need a water bottle (preferably 1-2 litres), and high factor sun cream. You may like to bring trekking poles, particularly as some of the descents can be long and a bit tough on the knees. It is a good idea to line your daypack with a good quality plastic bag - this will go a long way in protecting your gear from any rainstorms we encounter.

Tap water: is safe to drink in most places but water sources along the trail are non-existent. We encourage our clients not to buy mineral water because of the negative environmental impact with plastic bottles. Energy snacks including chocolate and sweets are recommended whilst walking.

---

## Footwear

We recommend you bring walking boots - leather or fabric are both fine. Some of the paths are a bit rocky underfoot and so you could twist an ankle if not wearing boots. Trainers are not recommended. Make sure that your boots are worn-in and comfortable before the start of the trip. We recommend that you wear/carry your walking boots as hand luggage on the international flight: should your luggage be delayed, your well broken-in boots will be irreplaceable.

---

## Luggage: On Tour

One main piece of baggage and a waterproof day-sac (20-30 litres recommended). You just need to carry what you need for the day which may include a raincoat, jumper, camera, sun-cream, picnic lunch etc. On hot days you will carry fewer clothes but more drinking water.

Luggage allowance on trip: 20kg
