## Hiking in the Dolomites

Based in the town of Dobbiaco we explore the strikingly beautiful rock towers and limestone cliffs of the Dolomites - a UNESCO World Heritage Site. We enjoy scenic treks through alpine meadows and pine forests, walk along ridges and ascend small summits. Every evening we can relax in the hotel pool, gym or sauna and enjoy traditional Austrian-influenced cuisine typical of the region.

### Why Book this trip

This centre-based walking holiday stays at the comfortable family-run Hotel Sonne Sole in the small town of Dobbiaco, gateway to some of the best day walks in the Italian Dolomites. Located close to the centre of the town, the hotel is just a short walk from all amenities. The bedrooms and garden enjoy beautiful views of the mountains and the valley. Facilities include an indoor swimming pool with sauna and a small gym.

### Suitability

We've given each of our tours a comfort rating and a tour pace, walking or cycling grade to give you a general idea about the level of activity on each tour and the standard of accommodation you will be staying in at the end of your day's adventure.

Often you'll stay in different styles of accommodation during your tour; so we make an average rating across the entire tour. For more information on where you'll stay each night, please refer to the day by day tour itinerary.

### Accommodation Grade: Standard

Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

### Tour Style: Classic

Packed with adventure, these tours offer inspiring destinations and authentic travel experiences at a reasonable price. Using all kinds of transport and accommodation, we'll take you off the beaten track to discover the true heart of the people and places you visit.

### Trek Grade: Moderate

For those who are fit and active, these moderate walks are normally on good paths and tracks at low altitude. Days may include some fairly demanding ascents and descents, so previous experience is preferable but not essential.

## Your trip itinerary

### Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested.

### Your Tour Leader

The Leader is an integral part of any Explore trip and your trek will be led by a qualified International Mountain Leader. We believe that our Leaders are the key to the success of our trips; they are passionate travellers who are bursting with first-hand local knowledge which they love to share. Your Leader will also take care of all

the planning and organization throughout your journey. Their passionate approach will make this trip fun and inspiring, bringing the destination to life whether you're travelling alone or with others.

## DAY 1 Join trip in Venice; drive to Dobbiaco (1200m)

Arriving at Venice Marco Polo Airport we transfer for three hours to our hotel in Dobbiaco (1217m). Located in the far north of Italy, we are close to the border with Austria. There will be a short briefing by our Explore Leader about the week ahead.

We have lunch and explore further around the lake before taking the public bus back to our hotel. Today's 14 kilometre walk is expected to take around five hours with a total ascent of 536 metres and a descent of 200 metres.

After some refreshments we continue to another pass, the Suisridl at 2013m. Our trek then takes us down through more forest and eventually to the doorstep of our hotel. Today's 11 kilometre walk is expected to take around six hours with a total ascent of 750 metres and a descent of 850 metres.

Our walk takes us along a ridge that marks the border between Austria and Italy - a great and unusual photo opportunity - a foot in either country! After walking the ridge and possibly bagging another summit we descend through the forest to Moso (1337m) and take public bus back to hotel (20mins). Today's 15 kilometre walk is expected to take around six hours with a total ascent of 630 metres and a descent of 1250 metres.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available**

## DAY 5 Free day: optional visits to Cortina, Leinz and Bolzano

Today is an opportunity to rest your legs and explore the cultural side of the region. There are various possibilities including making a trip to Cortina - arguably Italy's premier ski resort with smart shops and craft stores; Lienz in Austria with beautiful architecture, museums and cafes; or Bolzano (you can use your free bus pass) which is home to the remarkable Ice Man, discovered in the Schnalstal Glacier in the Otztal Alps in 1991. At over 5000 years old, he is Europe's oldest natural human mummy and the discovery of his body, along with the remnants of his weapons and clothing has helped to throw some light on the life and times of the region's Chalcolithic (Copper Age) Europeans. All of these excursions can be made using public transport. You can also take a jeep ride up to Monte Piana and Monte Piano to see the WWI remains and trenches. The walk across the plateau here is beautiful and poignant. A further option is to visit Brunico and the Rheinhold Messner (mountaineering) museum. Alternatively you can take further walks or stay at the hotel and make use of the indoor pool and spa.

Overnight: **Standard Hotel**  
**Single Room Available**

**Swimming Pool Available**

## DAY 6 Trek around Tre Cime

We traverse around the mountain and then on to the Locatelli hut at 2405m where we are rewarded with wonderful views of the striking cliffs of the north face of the Tre Cime, arguably one of the most iconic mountain views in the whole of Italy. Our descent takes us east, past a waterfall, and along a path by the river. We arrive at the Dolomitenhof for a well-earned drink. Today's 13 kilometre walk is expected to take around seven hours with a total ascent of 500 metres and a descent of 1190 metres.

We descend the mountain via a westerly route through forests and then take a short bus ride back to the hotel. ## Preparing for your Trip

### DAILY DISTANCES

Day 2	14km	5hrs
Day 3	11km	6hrs
Day 4	15km	6hrs
Day 5		
Day 6	13km	7hrs
Day 7	11km	6hrs

### Maximum Altitude on Trek (m)

2550

### Trekking Details

This is a 5 day trek with an average of 5 to 6 hours walking each day. We follow well maintained trails with some steep sections which will be rocky underfoot.

### Walking Boots

Walking boots with ankle support and good tread. Trekking shoes are not good enough for the walks as they do not give ankle support. In addition, you should avoid cheap boots found in high-street shops that are merely trainers with a higher canvas side sewn on. Make sure that your boots are worn-in and comfortable before the start of the trip. We recommend that you wear/carry your walking boots as hand luggage on the international flight: should your luggage be delayed, your well broken-in boots will be irreplaceable.

### Trekking Terrain

The day to day itinerary represents a selection of the walks that are available. The final itinerary will be dependent on the prevailing weather and interests and abilities of the group.

### Climate

#### Italy

April/May and October/November are pleasantly warm. June/September are the hottest months. Showers are common in Autumn.

### Clothing

We recommend taking lightweight and breathable clothing that can be layered according to the temperature and your level of activity. This should include a good quality waterproof jacket and trousers (e.g. Goretex / e-Vent), fleece jacket, comfortable walking trousers, shorts, warm hat and gloves, sunhat and sunglasses. Temperatures can change dramatically at altitude and at night. For around-town wear in Dobbiaco, you may like to bring some slightly smarter clothes.

### Equipment

You will need a water bottle (preferably 2 litres), and high factor sun cream. You may like to bring trekking poles. It is a good idea to line your daysac with a good quality plastic bag. This will go a long way in protecting your gear from any rainstorms we encounter. Tap water is safe to drink at the hotel, but water sources along the trail may not always be drinkable. Using tap or purified water rather than bottled water will help avoid creating plastic bottle waste. Energy snacks including chocolate and sweets are recommended whilst on trek.

### Footwear

Please bring comfortable shoes for evenings.

### Luggage: On Tour

One main piece of baggage and a waterproof daysac (25-40 litres recommended).

Luggage allowance on trip: 20kg
